Royal Society of Arts (Great Britain)

Colour How To See It How To Paint It:

How to See Color and Paint It Arthur Stern, 2021-12 Learn to see and mix any color with extraordinary precision Many painters don't paint what they see but what they expect to see what they think they see what they remember or what they imagine things are supposed to look like Since the mind stands in the way of the eye the purpose of this revolutionary book is to train you to paint what your eye actually sees Arthur Stern claims that color is key to painting what you see After working with three generations of students he developed a program of 22 painting projects that teach the artist to observe identify mix match and paint the colors of the world with remarkable accuracy Using a painting knife and oil paint you learn to analyze every painting subject as a series of distinct color areas called color spots and place each spot on the canvas as a unique and vivid mixture The fundamental lesson of the book is that if you put the right color spot in the right place you create a realistic image of form space surface texture atmosphere light and shade As you follow the painting projects in this book you'll make the dramatic discovery that everything in nature is filled with luminous color You'll learn to see glowing color in the blackest shadow and the whitest linen You'll learn when a green can appear red how to use paint to replicate metal glass wood paper porcelain and other opaque transparent or textured surfaces Before long you'll be seeing a multitude of colors in a slice of bread apples and oranges and a mass of green leaves You'll learn how to paint quickly enough to capture a live still life a flower that moves and slowly dies as you paint it You'll even practice with a setup outdoors to see how sunlight and skylight affect color How to See Color and Paint It is a must for beginners and a valuable asset for intermediate artists who want to develop a more subtle perception of color A final section contains beautiful paintings of many subjects that have grown out of projects and ideas taught in this book 130 color plates 40 black white illustrations

The Top Books of the Year Colour How To See It How To Paint It The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Colour How To See It How To Paint It : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Colour How To See It How To Paint It : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
