Columba Pilgrim And Penitent:

Columba Ian Bradley,2013-07-24 Around 563AD a monk called Columba set off in a small boat with a few companions from the shores of his native Donegal in the north west tip of Ireland Some time later they landed on the tiny island of Iona off the west coast of Scotland Their journey is rightly perceived as one of the most significant events in the early Christian history of the British Isles Ian Bradley examines the life character and achievements of St Columba and attempts to strip away the layers of myth and historical distortion that have grown up around him **Gather Into One** C. Michael Hawn,2003 valuable gift from other cultures to our own 7 sung prayers that can broaden the ways we pray and sing together in corporate worship His extensive research leads to some intriguing proposals with Hawn encouraging diverse expressions of worship endorsing the church musician as a worship 3enlivener 4 and making a case for 3polyrhythmic worship4 in our churches A unique resource Gather into One demonstrates the spiritual riches to be gained through multicultural worship and makes a *Columba* Ian Bradley,2021-03-08 Columba is one of the best known and most well documented figures in Celtic Christianity and has consistently been Scotland s most popular saint His journey from his native Ireland where he was born 1500 years ago took him eventually to Iona where he established a monastery which was to have a hugely important role in the Christianisation of the British Isles Iona remains today a spiritual beacon and magnet drawing pilgrims from across the world keen to learn about his legacy and follow his way In this substantially updated and revised version of his acclaimed biography which has never been out of print since it was first published 25 years ago Ian Bradley examines Columba s character life and achievements He explores the key themes of Columban Christianity politics penitence and pilgrimage and their sometimes uncomfortable message for us today Ian Bradley is Emeritus Professor of Cultural and Spiritual History at the University of St Andrews a regular broadcaster preacher and lecturer and the author of more than forty books six of which are on aspects of Celtic Christianity A book which is clear useful and well grounded Esther de Waal Church TimesSome readers have the habit of marking key passages in the pages of their books My own copy of this one is covered in pen marks It s marvellous Rennie McOwan Scots MagazineIan Bradley has done great things for Celtic Spirituality He is not interested in populism or trendiness but seeks an accurate dissemination of trustworthy information And like the best academics he changes his mind when new data requires it This is a good book about Scotland s greatest Irish evangelist John L Bell Wild Goose Resource Group Mission Implausible Duncan MacLaren,2012-07-18 It is commonly agreed that the churches of Europe are in crisis but why How can we explain their dramatic decline over the past four decades In particular why do contemporary people struggle to believe And how might the churches address this crisis of credibility Are there already signs of hope And what can tenacious forms of religion teach the churches as they go about their task of mission Mission Implausible tackles these questions using the tools of sociological analysis It argues that much of the blame for church decline is misplaced and that a broader explanation is required which sets the current crisis within a historical
