B-17 Flying Fortress Units of the MTO William N Hess, 2012-12-20 Having been a part of the Fifteenth Air Force in 1944 author Bill Hess has written the definitive account on his air force featuring photographs and illustrations throughout Although the Fifteenth Air Force was dismissed as minor leaguers by the Eighth Air Force strategic bombers from this outfit had done a major league job on Axis targets in southern Europe following its formation in Italy in November 1943 And the heavy bombers employed by the Fifteenth were of course the venerable B 17 and B 24 At its peak strength the Fifteenth s B 17 force comprised six groups of four squadrons each all controlled by the 5th Bomb Wing

Combat profile , Warrior R.G. Grant, 2007-09-17 Focusing on the front line soldiers who fought for their tribes their cities their overlords and their countries from the Ancient Greeks who repelled the invading Persians in the 5th century to the US Marines in action in Korea Vietnam and the Persian Gulf this visual history paints a compelling portrait of the front line soldier through 2 500 years of history The third in a series of illustrated military history books following the highly successful *Battle and Weapon Warrior* features vivid accounts of daily life training and tactics of the ordinary fighting man There are also features on the kit they carried and the weapons they used as well as the part they played in significant battles In addition to celebrated soldiers of Europe and North America there are sections on equally formidable warriors from other parts of the world such as the Mongol horsemen of the 13th century the Aztecs the Samurai of 17th century Japan New Zealand s Maori and the Zulus of South Africa *Warrior* is organized into six sections covering six distinct periods in the history of warfare *Phalanxes and Legions* deals with the warfare of Ancient Greece and Rome *Conquest and Chivalry* explores the age of warriors who fought for either honor or plunder *Pikemen and Musketeers* charts the advent of gunpowder in the 16th century *Empires and Frontiers* deals with expansion of empires and the clashes of colonization *Trenches and Dogfights* looks at the mechanized warfare of World War I and II when the development of tanks aeroplanes and submarines as weapons of war marks the beginning of a completely new era and *Guerillas and Commandos* shows that despite the proliferation of death dealing machines the ordinary soldier still retains a role sometimes highly specialized such as helicopter borne infantry or guerrilla forces like the Vietcong who managed to resist the most powerful army on earth

Air Pictorial , 1999 Most Honorable Son Gregg Jones, 2024-07-23 Foreword by Naomi Ostwald Kawamura of Densho Introduction by William Fujioka of JANM Afterword by Jonathan Eig The first comprehensive biography of unjustly forgotten Japanese American war hero Ben Kuroki who fought the Axis powers during World War II and battled racism injustice and prejudice on the home front WINNER OF THE NEBRASKA BOOK AWARD Ben Kuroki was a twenty four year old Japanese American farm boy whose heritage was

never a problem in remote Nebraska until Pearl Harbor Among the millions of Americans who flocked to military stations to enlist Ben wanted to avenge the attack reclaim his family honor and prove his patriotism But as anti Japanese sentiment soared Ben had to fight to be allowed to fight for America And fight he did As a gunner on Army Air Forces bombers Ben flew fifty eight missions spanning three combat theaters Europe North Africa and the Pacific including the climactic B 29 firebombing campaign against Japan that culminated with the atomic bombing of Hiroshima and Nagasaki He flew some of the war s boldest and bloodiest air missions and lived to tell about it In between his tours in Europe and the Pacific he challenged FDR s shameful incarceration of more than one hundred thousand people of Japanese ancestry in America and he would be credited by some with setting in motion the debate that reversed a grave national dishonor In the euphoric wake of America s victory the decorated war hero used his national platform to carry out what he called his fifty ninth mission urging his fellow Americans to do more to eliminate bigotry and racism at home Told in full for the first time and long overdue Ben s extraordinary story is a quintessentially American one of patriotism principle perseverance and courage It s about being in the vanguard of history the bonding of a band of brothers united in a just cause a timeless and unflinching account of racial bigotry and one man s transcendent sense of belonging in war in peace abroad and at home Books in Print ,1994
