Contemporary Geriatric Medicine:

Contemporary Geriatric Medicine Steven R. Gamber, 1986-02-28 In the last two years a wealth of new information has accumulated regarding both clinical and research aspects of health care for the elderly Although many controversial issues have been resolved many still remain Volume 2 of *Contemporary Geriatric Medicine* is once again dedicated to the clinician who cares for the elderly on a continuing basis Although for the most part general topics first introduced in Volume 1 have been retained all information in this volume is new and represents the current state of the art In addition several new topics including falls interpretation of laboratory data and oral health care have been introduced to enhance this volume's usefulness to the busy clinician Through these easy to read essays we attempt once again to keep the non geriatrician abreast of the current state of the art regarding the special needs and problems of the elderly Each chapter is not meant to be an exhaustive review of all topics in the field but rather to focus on issues receiving a great deal of attention Our goal is to create an exciting approach to contemporary issues in geriatric medicine

Contemporary Geriatric Medicine Steven Gamber, 1983-08-01 This volume marks the first of a new series *Contemporary Geriatric Medicine* joining the ever growing *Contemporary* family As with the other *Contemporary* volumes our goal is to assist the reader in maintaining currency in a rapidly changing field Perhaps no field has shown such major advances in such a short time as geriatrics Over the last several years the demographic imperative has become a source of concern for many including clinicians scientists economists and health planners Our geriatric knowledge base continues to grow often making it difficult to keep abreast of advances and current therapeutic modalities *Contemporary Geriatric Medicine* presents the state of the art thinking regarding a variety of topics all of major concern to the health practitioner caring for the elderly person The authors for the most part serving as members of a stable editorial board have chosen topics that should have immediate interest to the readership By having a stable editorial board continuity is ensured in successive volumes Every two years a subsequent issue will either address new thoughts on already presented topics or focus on new topics of current interest As with the other *Contemporary* series volumes the every other year interval is intended to allow new findings to develop and be tested It also provides the authors with time to provide the highest quality of work
