Contemporary Marxism No 15:

Critical Companion to Contemporary Marxism Jacques Bidet, 2008 International and interdisciplinary in range and scope the Critical Companion to Contemporary Marxism provides a thorough and precise panorama of recent developments in Marxist theory in the US Europe and beyond *Karl Marx's Economics* John Cunningham Wood, 1993 **The Struggle for Workers' Health** Ray H. Elling, 2020-10-07 To better understand how strong worker protection systems differ from weak ones this volume reports and interprets a study carried out in six nations Sweden Finland The German Democratic Republic The Federal Republic of Germany The United Kingdom of Great Britain and Northern Ireland and the United States of America The work involved interviews with reputational leaders of different interest groups as well as observations extensive document study and correspondence with key informants **Eurocommunism** Ioannis Balampanidis, 2018-11-09 Eurocommunism constitutes a moment of great transformation connecting the past and the present of the European Left a political project by means of which left wing politics in Europe effected a definitive transition to a thoroughly different paradigm It rose in the wake of 1968 that pivotal year of social revolt and rethinking that caused a divide between radical progressive and socialist thinking in western and southern Europe and the Soviet model Communist parties in Italy France Spain and Greece changed tack drew on the dynamics of social radicalism of the time and came to be associated with political moderation liberal democracy and negotiation rather than contentious politics forging a movement that would hold influence until the early 1980s Eurocommunism thus wove an original political synthesis delineated against both the revolutionary Left and the social democracy party of struggle and party of governance **Reinventing Revolution** Edward J. McCaughan, 2019-05-20 Based on in depth interviews with seventy four intellectuals of the lefts in Cuba and Mexico Reinventing Revolution explores the rapidly changing thinking of progressives on the big and enduring questions of democracy economic alternatives and national sovereignty Offering a unique world systems perspective on the sociology of intellectuals and **Contemporary Marxism**, 1981 **Russian Thought After Communism: The Rediscovery of a Philosophical Heritage** James P. Scanlan, 2016-09-16 An examination of Russia's philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole **Review - Fernand Braudel Center for the Study of Economies, Historical Systems, and Civilizations** Fernand Braudel Center for the Study of Economies, Historical Systems, and Civilizations, 1991 *Contemporary Marxism and India* K. Seshadri, 1990 **El Salvador Bibliography and Research Guide** David Samuel Krusé, Richard Swedberg, 1982 Radical Institutionalism William M. Dugger, 1989-04-04 This collection of original essays makes a unique contribution to both the radical and institutionalist economics literature by explicitly identifying and promoting the radical dimension of institutional economics According to the authors Young Turks in the institutionalist school radical institutionalism studies show how resources and wants are created through social processes and advance the

struggle for a better world through an ongoing dialogue about economic rights This collection contains a number of new and important contributions from young institutionalists including the first serious treatment of the origins and contributions of the Texas School of institutionalism It also contains thorough discussions of the research agenda for institutional economics and an extensive dialogue between institutionalism and Marxism The book opens with an explanation of the central concepts of radical institutionalism a history of the seminal Texas School of Economics and a discussion of the methodology of radical institutionalism Other contributors critique institutionalism as a radical system of inquiry extend institutionalism beyond its original American foundation discuss the contemporary critical literature and outline the usefulness of a continued dialogue between radical institutionalism and Marxism This provocative collection will interest scholars of contemporary economic theory It could also be used as a supplementary reader in courses on the history of economic thought and political economy
