**Contemporary Political Satire** M. D. Fletcher, 1987      **Historical Dictionary of Postmodernist Literature and Theater** Fran Mason, 2007-02-21 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The Historical Dictionary of Postmodernist Literature and Theater examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates      *The A to Z of Postmodernist Literature and Theater* Fran Mason, 2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates      American Film Satire in the 1990s J. Nilsson, 2013-06-25 This study examines how a

particular selection of films turned American cultural material of the 1990s into satirical experiences for viewers and finds that there are elements of resistance to norms and conventions in politics to mainstream news channels and Hollywood and to official American history already embedded in the culture      **Encyclopedia of Journalism** Christopher H.

**Humor Scholarship** Don Lee Fred Nilsen, 1993-02-22 The serious study of humor has burgeoned in the last two decades spawning a wealth of publications touching upon an array of topics crossing national cultural and disciplinary lines This research bibliography captures the vibrancy and significance of the field of humor studies while documenting its output Organized into ten broad chapters reflecting types of humor and topics of humor research it provides extensive bibliographies on forty five fields of humor study each introduced by an essay outlining trends and pointing to major findings An appendix of humor research institutes journals scholars and academic programs as well as a subject and author index to

the thousands of sources complete the volume Intended largely for library use by scholars and students in humor studies the volume s topical essays are valuable for text use in related courses the work s extensive bibliographies will foster research in diverse fields with a focus on humor

**African American Satire** Darryl Dickson-Carr,2001 Satire s real purpose as a literary genre is to criticize through humor irony caricature and parody and ultimately to defy the status quo In African American Satire Darryl Dickson Carr provides the first book length study of African American satire and the vital role it has played In the process he investigates African American literature American literature and the history of satire Dickson Carr argues that major works by such authors as Rudolph Fisher Ishmael Reed Ralph Ellison Langston Hughes and George S Schuyler should be read primarily as satires in order to avoid misinterpretation and to gain a greater understanding of their specific meanings and the eras in which they were written He also examines the satirical rhetoric and ideological bases of complex works such as John Oliver Killens s *The Cotillion* and Cecil Brown s *The Life and Loves of Mr Jiveass Nigger* books that are currently out of print and that have received only scant critical attention since they were first published Beginning with the tradition of folk humor that originated in West Africa and was forcibly transplanted to the Americas through chattel slavery Dickson Carr focuses in each chapter on a particular period of the twentieth century in which the African American satirical novel flourished He analyzes the historical contexts surrounding African American literature and culture within discrete crucial movements starting with the Harlem Renaissance of the 1920s and ending in the present He also demonstrates how the political cultural and literary ethos of each particular moment is manifested and contested in each text By examining these texts closely within their historical and ideological contexts Dickson Carr shows how African American satirical novels provide the reader of African American literature with a critique of popular ideologies seldom found in nonsatirical works Providing a better understanding of what satire is and why it is so important for fulfilling many of the goals of African American literature African American Satire will be an important addition to African American studies

**Uncensored?** Olga Mesropova,Seth Graham,2008 Pynchon Notes ,1988 *The Primer of Humor Research* Victor Raskin,2008 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The

organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area     **English Studies in Canada** ,1998     *Annual Bulletin of English Studies* ,1991
