Contemporary Society John Perry, 1998-03 Contemporary British Society Nicholas Abercrombie, 1994

Contemporary Society, 1974 This best selling book combines up to date information historical background social science concepts research and down to earth explanations in an accessible journalistic style *Contemporary Society* offers an overview of the social sciences by presenting a perspective on how the social science disciplines perceive the world around us The book has been completely updated to reflect the shifts in contemporary society while retaining the centralized theme of

change The authors reinforce the idea that the transition from an industrial to a postindustrial order is fraught with difficulties as was the transition from an agricultural to an industrial order The increasing fragmentation of the social order which leads people away from community and a common purpose to conflict and disunity is also shown in this framework For anyone interested in the social sciences and the shifting of contemporary society Society in Focus William E. Thompson, Joseph V. Hickey, 2001-12-01 This specially priced comprehensive introductory text emphasizes the increasing diversity and globalization of societies everywhere and the role of mass media and information technology in contemporary society **Contemporary Society** John Ambrose Perry, Erna Perry, 1994
