## **Contemporary Christologies A Jewish Response:**

**Contemporary Christologies** Eugene B. Borowitz, 1980      **Jewish Jesus Research and its Challenge to Christology Today** Walter Homolka, 2016-10-05 Historical Jesus research Jewish or Christian is marked by the search for origins and authenticity The various Quests for the Historical Jesus contributed to a crisis of identity within Western Christianity The result was a move back to the Jewish roots For Jewish scholars it was a means to position Jewry within a dominantly Christian culture As a consequence Jews now feel more at ease to relate to Jesus as a Jew For Walter Homolka the Christian challenge now is to formulate a new Christology between a Christian exclusivism that denies the universality of God and a pluralism that endangers the specificity of the Christian understanding of God and the uniqueness of religious traditions including that of Christianity      **An Introduction to Modern Jewish Philosophy** Norbert M. Samuelson, 2012-02-01 The book is divided into three sections The first provides a general historical overview for the Jewish thought that follows The second summarizes the variety of basic kinds of popular positive Jewish commitment in the twentieth century The third and major section summarizes the basic thought of those modern Jewish philosophers whose thought is technically the best and or the most influential in Jewish intellectual circles The Jewish philosophers covered include Spinoza Mendelssohn Hermann Cohen Martin Buber Franz Rosenzweig Mordecai Kaplan and Emil Fackenheim The text includes summaries and a selected bibliography of primary and secondary sources      **Jesus, an Emerging Jewish Mosaic** Daniel F. Moore, 2011-11-03 Since Martin Buber in *Two Types of Faith* acknowledged Jesus as his great brother other Jewish writers have sought to ascertain a place for Jesus within the larger context of Jewish history In the aftermath of the Shoah specifically in the afflicted consciousness of humanity Jew and Christian alike began to ask how this tragedy could have happened especially among and against people of faith In an effort to assure that such a tragedy never happens again the focus of some fell upon Jesus previously the obstacle to reconciliation but now perceived as the obvious and most viable bridge to span the chasm and assuage the wound of anti Jewish and anti Christian sentiments Still others chose to join and expand the academic quest for the historical Jesus adding Jewish voices to the effort to explore more rigorously and objectively the figure of Jesus in historical writing In this unique and illuminating volume Father Daniel F Moore presents the historical identity of Jesus through lens of such Jewish scholars as Schalom Ben Chorin David Flusser Geza Vermes and Jacob Neuser A useful book for those interesting in ecumenical discourse and Jesus studies      **Reader's Guide to Judaism** Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly      *God, Revelation and Authority (Set of 6)* Carl F. H. Henry, 1999-01-25 A

monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done      **God, Revelation and Authority: God Who Speaks and Shows (Vol. 3)** Carl F. H. Henry, 1999-01-25 Part 3 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done      **Dictionary Of Modern American Philosophers** John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought      **The Christology of the Inarticulate** Benigno P. Beltran, 1987

*Christian Jewish Relations* ,1983      **Interpreters of Judaism in the Late Twentieth Century** Steven T. Katz, 1993 These essays written by a distinguished group of authors explore the main thinkers of the time Ranging a wide geographical expanse of the Jewish People from Israel through Europe to America this collection offers the most up to date comprehensive and sophisticated introduction available to contemporary Jewish thought      **American Journal of Theology & Philosophy** ,1988      A New Dictionary of Christian Ethics John Macquarrie, 1986      *The Christian Problem* Stuart E. Rosenberg, 1986

**Variations on the Messianic Theme** Marion Wyse, 2009 After fifty years the Jewish Christian dialogue has achieved respect and trust but basic disagreement over the Christian designation of Jesus as the Jewish messiah stands Wyse wonders if it is possible to discuss this without annihilating one or the other faith community      Religion Index One ,1988      *Mature Christianity in the 21st Century* Norman A. Beck, 1994 Mature Christianity is the most careful study of anti Jewish polemic of the New Testament that I have read Krister Stendahl      *Judaism After Modernity* Eugene B. Borowitz, 1999 Judaism After Modernity presents a collection of writings by America s leading liberal Jewish theologian who relates his activity as a prominent thinker in modern Judaism Eugene B Borowitz provides insights into his spiritual life and development as a prelude to his discussion of personal faith His papers illustrate and reflect upon the intellectual religious path that led to the development of his postmodern Jewish theology expressed in his systemic statement of 1991 *Renewing the Covenant* His writings reveal how he arrived at his unique position and describe how making this statement instigated the further development of his position Borowitz then discusses the typical Jewish interest in praxis what one is to do rather than in

doxism what one says about one's beliefs incorporating such issues as aging and Zionism Finally he presents his relations with his teacher Abraham J Heschel and deals with various interfaith issues through his relations with Arnold J Wolf a Jewish peer John Hick Frans Josef van Beeck and Masao Abe three famous non Jewish teachers Classical Christianity and Rabbinic Judaism Bruce Chilton, Jacob Neusner, 2004 Among the world's religions Christianity and Judaism are the most symmetrical But in our day of religious tolerance a tendency to overlook the vital differences between the two religions in the name of good will can undermine constructive Jewish Christian dialogue In this book Bruce D Chilton describes early Christian thought and Jacob Neusner describes early Judaic thought on fundamental issues such as creation and human nature Christ and Torah sin and atonement and eschatology At the end of each chapter each assesses the other's perspective and a final chapter explains why the authors believe theological confrontation not just comparison defines the task of interfaith dialogue today Schmoozing Joshua Halberstam, 1997-10 Jews talk about sex and money intermarriage and Israel gender and gentiles like having a funny intimate and intelligent conversation with one of the most astute observers of the American Jewish scene Alan Dershowitz author of Chutzpah
