## **Contemporary Manitoba Writers New Critical Studies:**

**Contemporary Manitoba Writers** Kenneth James Hughes, 1990 During the past 20 years Manitoba has experienced an astonishing surge of literary activity dazzling in its diversity and in its divergence from conventional writerly wisdom Striving to keep pace with this accelerated growth a lively critical discourse has emerged which is of necessity sensitive to the rapidly shifting cultural and epistemological currents reshaping the context for literature *We Are What We Mourn* Priscilla Uppal, 2009 The first book on the Canadian poetic elegy challenges all previous ideas about the purpose of mourning

Writing Lovers Méira Cook, 2005-04-22 In writings by the French post structuralists rhetorical tropes such as speechlessness fragmentation and deflection testify to the writer's difficulty in broaching the subject of love Similarly Cook shows that love poetry proceeds out of a profound failure of language resulting from the opacity of discourse its lack of neutrality or the fugitive transparency of reference *Writing Lovers* also explores race ethnicity age and sexual identity within the context of the passionate excesses of amatory discourse **Beautiful Chaos** Gordon E. Slethaug, Professor Gordon E Slethaug, PhD, 2000-11-09 Explores the way chaos theory is incorporated in the work of such writers as Toni Morrison Thomas Pynchon John Barth Don DeLillo and Michael Crichton Kristjana Gunnars Monique Tschofen, 2004 The writings collected here all testify to the complexity of Gunnars's literary vision as much as they testify to the sheer pleasures of reading her work In her interview Gunnars speaks both as a reader and a writer describing the form and modes of address of her work as well as the philosophical and literary traditions she draws from The nine essays and two poems that follow organized chronologically according to the publication dates of the primary texts they treat represent a broad range of approaches to Kristjana Gunnars's work The contributors are M Travis Lane Judith Owens Janice Kulyk Keefer Deidre Lynch Stephen Scobie Anne Malena Siobhan O Flynn K I Press and Christl Verduyn It is my hope that readers will find in this critical community some productive points of entry into Gunnars's corpus that will stimulate their own thinking about her words and ideas from the Introduction by Monique Tschofen **Contemporary Poets** Thomas Riggs, 1995 This reference work combines bibliographical biographical and critical information on 900 living poets writing in the English language Entries are arranged alphabetically and this edition includes 120 new entrants including Wendy Cope Benjamin Zephaniah and Rachel McAlpine The Home Place Dennis Cooley, 2016-03-18 He wants to sit and visit at the kitchen table and he can hardly wait to get on the road again From Chapter 1 Robert Kroetsch one of Canada's most important writers was a fierce regionalist with a porous yet resilient sense of home Although his criticism and fiction have received extensive attention his poetry remains underexplored This exuberantly polyvocal text insightfully written by Dennis Cooley who knew Kroetsch and worked with him for decades seeks to correct that imbalance *The Home Place* offers a dazzling playful and intellectually complex conversation drawing together personal recollections Kroetsch's archival materials and the international body of Kroetsch scholarship For literary scholars and anyone who appreciates Canadian literature *The Home Place* will represent

the standard critical evaluation of Kroetsch's poetry for years to come      **Canadian Books in Print. Author and Title Index**, 1975      Twenty-first-century Canadian Writers Christian Riegel, 2007 Dedicated for nearly thirty years to making literature and its creators more accessible and intriguing to researchers the series presents signed authoritative biographical and critical essays on writers from all eras and genres Rigorously meeting the standards of librarians and instructors signed entries are written by academic experts in the field and include illustrations and extensive bibliographies      Canadian Writers and Their Work Robert Lecker, Jack David, Ellen Quigley, 1996      **The Journal of Commonwealth Literature**, 1991 One number each year includes Annual bibliography of Commonwealth literature      **The Encyclopedia of Manitoba** Ingeborg Boyens, 2007 An 800 page information source for all aspects of Manitoba's history arts politics nature geography business and sports      *Who's who in Canadian Literature*, 1997      *Canadian Book Review Annual*, 1991      *Canadian Periodical Index*, 1992      **Julia Kristeva** Kathleen A.
