Scottish Poetry Matt McGuire, 2009-07-03 The last three decades have seen unprecedented flourishing of creativity across
the Scottish literary landscape so that contemporary Scottish poetry constitutes an internationally renowned award winning
body of work At the heart of this has been the work of poets As this poetry makes space for its own innovative concerns it
renegotiates the poetic inheritance of preceding generations At the same time Scottish poetry continues to be animated by
writing from other places The Edinburgh Companion to Contemporary Scottish Poetry is the definitive guide to this
flourishing poetic scene Its chapters examine Scottish poetry in all three of the nation s languages It analyses many thematic
preoccupations tradition and innovation revolutions in gender the importance of place the aesthetic politics of devolution

These chapters are complemented by extended close readings of the work of key poets that have defined this era including Edwin Morgan Kathleen Jamie Don Paterson Aonghas MacNeacail and John Burnside

Forty Voices Strong Patrick Moran, 2019-02-25 Forty Voices Strong is a robust collection of poetry by contemporary Scottish poets The poems are notable for their compassion wisdom and humor

Modern Scottish Poetry Christopher Whyte, 2004 Although Scottish poetry gained an increasingly high profile towards the end of the twentieth century this groundbreaking work is the first book length study of the field Christopher Whyte takes significant collections by 20 poets writing in English Scots and Gaelic as the starting point for an examination of their whole career and of the connections between them Poets featured include Sorley MacLean Edwin Muir George Campbell Hay Sydney Goodsir Smith Edwin Morgan Tom Leonard W S Graham Iain Crichton Smith Liz Lochhead Douglas Dunn Kathleen Jamie Carol Ann Duffy and Aonghas MacNeacail Whyte argues that concerns with nationalism and national identity have so far shaped our reading of Scottish poetry and that the time has come to set these aside in favour of new approaches where Scottishness will no longer be a dominant concern His sobering yet balanced reappraisal of the failures and achievements of the interwar period offers a sound basis for the discussion of more contemporary work which follows Modern Scottish Poetry is a refreshing and stimulating reassessment of the cultural scene as the new century gets under way Innovative challenging and frequently controversial the readings demonstrate a consistent theoretical sophistication and highlight the richness and variety of work produced across six decades Features In depth coverage of each of 20 poets women poets and gay material included providing lively material for discussion and debate Sums up the critical tradition so far and suggests how it needs to change Ideas put forward are rooted in close reading of specific poems Basic bibliographical information main edition secondary literature for each author plus an invitation to further exploration and research

Beyond Identity Attila Dósa, 2009 In *Beyond Identity* thirteen of Scotland's best known poets reflect upon the theoretical practical and political considerations involved in the act of writing They furnish a unique guide to contemporary Scottish poetry discussing a range of issues that include nationhood education language religion landscape translation and identity John Burnside Robert Crawford Douglas Dunn Kathleen Jamie Edwin Morgan Kenneth White and others together with such noted experimentalists as Frank Kuppner Tom Leonard and Richard Price explore questions about the relationship between social economic and ecological realities and their poetic transformation These interviews are set within the altered political context that followed from the re establishment of a Scottish Parliament in 1999 and the potential of a renewed engagement with wider European culture Attila Dosa is Senior Lecturer at the Department of English at the University of Miskolc in northern Hungary

Hugh MacDiarmid and his influence on modern Scottish poetry - language and national identity Ines Ramm, 2006-12-19 Examination Thesis from the year 2006 in the subject English Language and Literature Studies Literature grade 1.0 Carl von Ossietzky University of Oldenburg language English abstract The Scottish Renaissance Movement has found its way into numberless anthologies of Modern

literature and poetry across the world and has been used as initial point for various studies of the awakening Scottish national identity in the early twentieth century Unfortunately the Scottish Renaissance has seldom been subject to literary studies resulting in a sensible lack of monographs on the movement 1The name of Hugh MacDiarmid however is inevitably to appear in any context of the Renaissance Movement His articles in periodicals such as *The Scottish Chapbook* shaped the cultural conception of the movement while his poetical output gave voice to the simmering national awareness and search for identity at the beginning of the century Questions of the national character and the political role of Scotland pervaded Scottish writing of this time The idea of Scotland as a small nation where political selfdetermination might develop in co ordination with cultural self expression characterizes MacDiarmid s confidence with regard to the Renaissance movement 2Furthermore the poet aimed to reinstall the Scots language as a literary means in the arena of academic and scientific writing extending its vocabulary corpus through the work with language dictionaries and ancient terminology Approaching Scots in this manner has rendered him a number of opponents criticizing the artificiality of his poetry On the whole MacDiarmid has been an ambiguous figure provoking reactions with all of his actions and attitudes He was the personified extreme combining nationalist views with socialist dreams spiritual sensitivity with objective reason The paper at hand examines the literary effects of Hugh MacDiarmid s writing on contemporary Scottish poetry on the positive as well as on the negative side One of the major questions in this work focuses on the relation between literature and national identity in the Scottish Renaissance and afterwards In how far are the demands of distinctive Scottishness realised in recent Scottish poetry And is MacDiarmid s conception of national identity still applicable to the modern Republic after the re establishment of its Parliament in 1999 Furthermore MacDiarmid claimed that Scottish identity could only be fully expressed through the Scots language Thus the second major subject within this examination will be the use of the Vernacular subsequent to the Scottish Renaissance and its function as a medium for national identity

Edinburgh History of Scottish Literature: Modern Transformations: New Identities (from 1918) Ian Brown, 2006-11-13 In almost a century since the First World War ended Scotland has been transformed in many rich ways Its literature has been an essential part of that transformation The third volume of the *History* explores the vibrancy of modern Scottish literature in all its forms and languages Giving full credit to writing in Gaelic and by the Scottish diaspora it brings together the best contemporary critical insights from three continents It provides an accessible and refreshing picture of both the varieties of Scottish literatures and the kaleidoscopic versions of Scotland that mark literary developments since 1918 *The Princeton Encyclopedia of Poetry and Poetics* Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades *The Princeton Encyclopedia of Poetry and Poetics* has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical

terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

Modern Irish and Scottish Poetry Peter Mackay,Edna Longley,Fran Brearton,2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry featuring close readings of texts within broad historical and political contextualisation Playing on influences crossovers connections disconnections and differences the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice Poets discussed include W B Yeats Hugh MacDiarmid Sorley MacLean Louis MacNeice Edwin Morgan Douglas Dunn Seamus Heaney Ian Hamilton Finlay Michael Longley Medbh McGuckian Nuala ni Dhomhnaill Don Paterson and Kathleen Jamie This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty first centuries
