## **Contending For The Faith Heresy And Apologetics:**

Contending for the Faith Theodore Plantinga, 1984      Apologetics, Mission and New Religious Movements: A Holistic Approach Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson's work apart from earlier studies of cults and new religions. At the same time his work is innovative in other ways.

**CONTENDING FOR THE FAITH** Christopher H.K. Persaud, 2013-05-21 Doubt and disbelief in God's existence and his plan of redemption for lost humankind is becoming increasingly evident in today's hedonistic self-directed world. Many Christian believers even choose to listen to and to acknowledge a feel-good now Gospel notwithstanding its deviation from Biblical truth and its possible damning implications. Conversely, many people are wont to deny the existence of a devil and the reality of a place of unceasing torment and/or destruction called hell. A good God cannot be so cruel; they opine. Jesus commissioned his followers to take his Gospel to the far reaches of the Earth, and the Holy Scriptures encourage Christians in Jude 1-3 to earnestly contend for the faith. More than at any other time in history, believers must defend the Christian Gospel and advocate its timeless truths everywhere so that all of humankind may hear about Christ's offer of eternal life in a place named Paradise. The miscellany of contemplative inquiries and arguments presented in **CONTENDING FOR THE FAITH** purposes to do just that: endorse and advance the Gospel of Christ and help establish Biblical truth. Much too much is at stake for not spreading or not listening to Christ's entreaty.

Apologetic and Practical Treatises Tertullian, Aeterna Press, OF the life of Tertullian little is known except what is contained in the brief account of St. Jerome. Tertullian, a presbyter, the first Latin writer after Victor and Apollonius, was a native of the province of Africa and city of Carthage, the son of a proconsular centurion. He was a man of a sharp and vehement temper, flourished under Severus and Antoninus Caracalla, and wrote numerous works which, as they are generally known, I think it unnecessary to particularize. I saw at Concordia in Italy an old man named Paulus. He said that when young he had met at Rome with an aged amanuensis of the blessed Cyprian, who told him that Cyprian never passed a day without reading some portion of Tertullian's works and used frequently to say, "Give me my master, meaning Tertullian." After remaining a presbyter of the Church until he had attained the middle age of life, Tertullian was, by the envy and contumelious treatment of the Roman clergy, driven to embrace the opinions of Montanus, which he has mentioned in several of his works under the title of the New Prophecy, but he composed expressly against the Church the *Treatises de Pudicitia, de Persecutione, de Jejuniis, de Monogamia*, and six books *de Ecstasi*, to which he added a seventh against Apollonius. Aeterna Press

**Canadian Books in Print**, 2001      **Reasons to Reason** Nancy A. Almodovar, 2021-07-22 Apologetics: What is that? Isn't that for theologians and pastors? These are the rebuttals one might receive when encouraging Christians to learn and engage in apologetics, the defense of the Christian faith. This book isn't about apologetics per se. Instead, it reviews the many benefits for Christians engaging in apologetics and learning about it. Dr. Almodovar reviews what aspects of the field helped strengthen her own faith and brought excitement in bringing the good

news of the forgiveness of sins through Jesus Christ as she spoke with those who aren't Christians. Over the past years Dr Almodovar has actively engaged in encouraging Christians to actually do apologetics and many have come back to her saying it not only helped them answer the questions of non-believers but strengthened their own faith knowing now the great amount of evidence there is for the Christian religion. If you've never engaged in defending the faith now is the time to learn how it will benefit you in your walk with Christ and perhaps excite you to dig a little deeper so you too can answer their questions about Jesus his life death and resurrection for the forgiveness of all our sins. **Canadiana**, 1985. The Beauty of the Faith Joseph D. Wooddell, 2010-09-23. Nearly everyone finds beauty compelling so Christian apologists should devise ways to present an aesthetic Christian apologetic. Nearly all apologists admit that the beauty of a life well lived and the beauty of the Christian community along with the use of media and the arts are not only helpful for apologetics but essential in a postmodern culture. In fact it is frustrating to see how many apologists mention the need for such an approach but go on devoting most of their energies to traditional approaches. This book is different. It clearly shows the pros and cons of traditional approaches and offers a fresh perspective as well arguing that beauty is the most compelling apologetic and suggesting ways to implement such an approach. It demonstrates how Western culture arrived in its current unfortunate situation and uses both Scripture and figures like Athenagoras and Jonathan Edwards to challenge current views on apologetics. Herald of Gospel Liberty Elias Smith, 1909. Herald of Gospel Liberty, 1909. **YOUR GUIDE FOR DEFENDING THE BIBLE** Edward D. Andrews, 2016-12-20. **Contending for Christ Through the Creed** Alfonso Espinosa,2025-05-29 Holy Scripture directs all Christians to contend for the faith that was once delivered to the saints Jude 3 Unfortunately all too often the Christian resorts to defensiveness that amounts to becoming contentious which is contrary to the way of Jesus Christ Engaging for Christ requires both gentleness and respect 1 Pet 3 15 But where to begin In this unique approach to cultural apologetics Alfonso Espinosa employs the outline of the ancient Apostles Creed Creedal organization not only demonstrates the timeless and enduring relevance of the Christian faith but it also puts forth a logical and systematic approach to Christian apologetics Such a method is first immensely personal since the Creed begins with I believe At the same time however it does not perpetuate the hyper self centeredness of our age but presents the outward orientation to consider the importance of creation Christ centered salvation and the churchly context of the work of the Holy Spirit In all this apologetic clarification important answers to the faith once delivered are offered so that comfort is had not in religious ambiguity and subjectivism but rather in the objective foundation of truth that endures truth that we can contend for

**Defence of the Truth** Michael Haykin,2004-01 The Apostle Peter s words in 1 Peter 3 15 In your hearts regard Christ the Lord as holy always being prepared to make a defence to anyone who asks you for a reason for the hope that is in you have an element of timelessness about them The task of defending the Christian faith in the face of unbelief and open rejection of biblical truth and the Christian worldview sometimes called apologetics is a responsibility laid upon every generation of those who love the Lord Jesus Christ In the six chapters in this book we look at six incidents in

which early Christian leaders had to engage in apologetics In every case there is much to learn from the arguments used and the ways of seeking to win those opposed to the truth      **New Dictionary of Christian Apologetics** Gavin

McGrath,2009-10-14 A study of the history of heresy

and rival forms of Christianity arguing that the church must continue to defend what is true about Jesus Our ongoing fascination with alternative Christianities is on display every time a never before seen gospel text is revealed an archaeological discovery about Jesus makes front page news or anew work of fiction challenges the very foundations of the church Now in a timely corrective to this trend renowned church historian Alister McGrath examines the history of subversive ideas overturning common misconceptions that heresy is somehow more spiritual or liberating than traditional dogma In so doing he presents a powerful compassionate orthodoxy that will equip the church to meet the challenge from renewed forms of heresy today      The Ante-Nicene Fathers: Latin Christianity: its founder, Tertullian.
