## **Contentious Alliance:**

*Fightback!* Dianne Hayter, 2024-07-30 This book tells the story of how the moderate right in the Labour Party trumped by the left for a decade and weakened by defections to the SDP in 1981 fought back organisationally to regain control of the party by 1985 producing an NEC supportive of Neil Kinnock and ready to expel Militant introduce One Member One Vote and return the party to electability It describes the Manifesto Group of Labour MPs Labour Solidarity Forward Labour and the all important but secret St Ermins Group of senior trade unionists each of which strove to ensure that the party represented Labour voters and trade union members Written by an insider it draws on extensive interviews with all the key players and unique access to private papers and closed archives to explain how the moderates triumphed over the hard left Labours old and new Stephen Meredith, 2013-07-19 This study is concerned with the Old Labour right at a critical juncture of social democratic and Labour politics It attempts to understand the complex transition from so called Old Right to New Right or New Labour and locates at least some of the roots of the latter in the complexity tensions and fragmentation of the former during the lean years of social democracy in the 1970s The analysis addresses both the short and long term implications of the emerging ideological organisational and political complexity and divisions of the parliamentary Labour right and Labour revisionism previously concealed within the loosely adhesive post war framework of Keynesian reformist social democracy It establishes the extent to which New Labour is a legatee of at least some elements of the disparate and discordant Labour right and tensions of social democratic revisionism in the 1970s In so doing it advances our understanding of a key moment in the development of social democracy and the making of the contemporary British Labour Party **The Socialist Ideas of the British Left's Alternative Economic Strategy** Baris Tufekci, 2019-11-30 This book provides the first book length study of the political and economic ideas of the British left s Alternative Economic Strategy in the 1970s and early 1980s Discussing the AES s approaches to capitalism the nation state and the working class it argues that existing academic accounts have significantly overstated the radicalism of the strategy Perhaps more notable especially in the light of its stated revolutionary aims was the extent of its moderation its continuities with post war Labour revisionism its marked reluctance to look beyond the market economy the degree of its preoccupation with Britain s global economic status and its inability to break with Labourist politics of class co operation in the national interest While the book argues that the AES was the last class politics socialist initiative in mainstream British politics it also explores the ways in which its ideas perhaps prepared the way for New Labour in the 1990s and its relationship with Corbynism since 2015 **The Struggle for Labour's Soul** Matt Beech, Raymond Plant, Kevin Hickson, 2004-08-02 Contributors ranging from Chancellor Gordon Brown to the Guardian newspaper s Polly Toybee discuss the Labour Party s political philosophy and address key topics like globalization constitutional reform equality and the third way The Labour Party B. Brivati, R. Heffernan, 2000-05-08 On 27 February 1900 the Labour Representation Committee was formed to campaign for the election of working class representatives to

parliament One hundred years on Labour is in government with an overwhelming majority This book is a unique opportunity both to celebrate and assess critically the Labour Party's role in shaping events of the twentieth century It brings together academics from a variety of disciplines to examine the history of the Party's development Each chapter includes contributions in the form of commentary and analysis from former Labour leaders cabinet ministers and backbench MPs Contributors include Michael Foot Denis Healey David Owen Keith Laybourn Robert Taylor Steve Ludlam Nick Ellison Clare Short and Austin Mitchell among others Labour's First Century Duncan Tanner, Pat Thane, Nick Tiratsoo, 2000-09-11 The Labour Party's centenary is an appropriate moment to evaluate its performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction Labour's First Century covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party's contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour Party will need to read Labour's First Century

**The Contentious Alliance** Lewis Minkin, 1992-01 Safety First Paul Anderson, Nyta Mann, 1997 This is a collective portrait of the people who have formed a new regime for Britain in the Spring of 1997 The Labour Party under Tony Blair is electable and professional It is single minded in the pursuit of power which has eluded the British centre left for a generation The party has purged itself of anything that makes Middle England uneasy It avoids even the rhetoric of the historic Labour Party and is unsentimental about the sacred cows of Labour tradition nationalization support for trade unions and a belief in redistribution New Labour is a smiling teflon party and its hour has come

**European Casebook on Business Alliances** Justin Greenwood, 1995 This collection contains 19 case studies of European Union level business alliances They provide a wealth of comprehensive up to date material and challenge some of the recent orthodoxies about effective forms of EU collective action involving business interests Cases focus on business alliances for the purpose of achieving corporate political ends such as interest representation and lobbying influencing and collecting information on European public affairs and the regulation and promotion of industrial policy The case studies are drawn from manufacturing high technology utilities and service business domains and from different national cultures including the USA and Japan territories sizes and organizational levels In addition to managers this book will be invaluable to students of European public policy European business and European studies *Exits and Entrances* Lewis Minkin, 1997 Renewal, 1993

**New York**, 1997-05 *The Rise of Socialism in Britain, C. 1881-1951* Keith Laybourn, 1997 This book deals with the years 1881-1951 when socialism moved from being a small movement to a powerful organisation At this time socialism became moderate and parliamentary in form discarding Marxism and ethical socialism en route

**Asper Nation** Marc Edge, 2007 The second

generation of Aspers that now runs Canada's largest news media company is much like the first Israel Izzy Asper's three children often appear in today's headlines David is bidding to buy the Winnipeg Blue Bombers football team Gail heads fundraising efforts for the new Canadian Museum of Human Rights Leonard sits in his father's place as head of CanWest Global Communications Like its founder they also use their media empire to influence public opinion Asper Nation explains why Canadians should be concerned about where the country's first family of news media is coming from politically Izzy Asper was an oddity as a Liberal politician in the 1970s Fiscally he was to the right of most Conservatives As a nationally syndicated newspaper columnist he called for a flat tax and workfare As a best selling author he helped thwart a plan to shift Canada's tax burden from the middle class onto corporations But when Asper took his policies to Manitobans as Liberal leader in 1973 he was soundly defeated Asper got into the television business instead and built Canada's third network Asper made CanWest the country's most profitable broadcaster by feasting on regulations that encouraged the importation of cheap American programming He took his formula to the world in the 1990s buying television networks in New Zealand Australia and Ireland Then in 2000 Asper pioneered media convergence buying Canada's largest newspaper chain from Conrad Black Southam dailies were soon ordered to run national editorials written at CanWest Global headquarters in Winnipeg This corporate news control brought protest from journalists and two government inquiries Neither resulted in long sought limits on media ownership however Marc Edge offers a compelling account of the political perils involved in allowing the Asper family to dominate Canadian media *Labour History Review*, 2006 North Wales Miners Keith Gildart, 2001 A scholarly analysis of social political and industrial change in the working class mining communities of North Wales 1945 1996 comprising an appreciation of the miner's quest for self identity and the contribution of trade union activities to changing the face of 20th century British politics 14 black and white photographs **A History of the British Labour Party, Third Edition** Andrew Thorpe, 2008-03-15 Thorpe's history of the Labour Party has now been updated to offer a detailed analysis of Tony's Blair's thirteen year leadership and includes the story of Gordon Brown's appointment as PM *Engaging Iran and Building Peace in the Persian Gulf Region* Volker Perthes, Ray Takeyh, Hitoshi Tanaka, 2008 The Trilateral Commission was formed in 1973 by private citizens of Europe Japan and North America to foster closer cooperation among these three democratic industrialized regions on common problems It seeks to improve public understanding of such problems to support proposals for handling them jointly and to nurture habits and practices of working together The Trilateral countries are nations in Europe North America and Pacific Asia that are both democratic and have market economies They include the member and candidate member nations of the European Union the three nations of North America Japan South Korea the Philippines Malaysia Indonesia Singapore Thailand Australia and New Zealand BOOK JACKET *The High Tide of British Trade Unionism* John McIlroy, Nina Fishman, Alan Campbell, 2007 Individual essays chart the position of men and women in work assess the impact of immigration and map industrial politics Case studies open up

other fields unions relations with the Labour Party media coverage union education the Cold War and the diverse political forces from Labourism to Trotskyism forging industrial relations This path breaking analysis provides an excellent guide to the trade unionism and militancy of the 1960s and 1970s     *Between Two Oceans* Malcolm H. Murfett, 2004 The difference between fact and fiction in Singapore s fascinating military past
