The Continental Edition of World Masterpieces, Enlarged. Vol. 1 MAYNARD. MACK,1966 **Staying Alive** Jason K. Swedene,2009-09-09 Staying Alive explores the desire to live forever which manifests itself in many forms and forums Many throughout history have measured their self worth by the metric of how they will stay alive one wants fame another needs children One wants to leave behind a personalized legacy another wants to leave behind the world and enjoy the bliss of heaven The author s self expressed aim has been simply to write a readable book that will afford the reader an increased sensitivity to the many ways the desire for immortality has shaped history philosophy art and literature The thought that this analysis of human longing and culture provokes transcends any one way of approaching these disciplines It searches for and connects deeply personal pursuits with greater collective trends **Catalog of Copyright Entries.
