mediatorial imagery crucial for the development of early Jewish mysticism **Continuity and Innovation in the Aramaic Legal Tradition** Andrew Gross, 2008-10-31 Ever since the Elephantine papyri were first published over a century ago scholars have speculated on the origins of the well developed legal formularies used in these documents Since then many more Aramaic deeds of conveyance both from Elephantine and from elsewhere have been published especially within the last decade or so With this expanded text base now available the time is ripe for a comprehensive re assessment of these legal formularies This book endeavors to show that these disparate Aramaic documents whose chronological scope spans several centuries form a discrete and coherent tradition It isolates and identifies the distinctive elements that form the core of this tradition and traces the histories of these elements back through the cuneiform record **Studies in the Book of Ben Sira** Géza Xeravits, József Zsengellér, 2008-06-25 The volume publishes the papers read at an international conference on the Book of Ben Sira held at the Shime on Centre P pa Hungary Renowned specialists of the field treat among others various questions of early Jewish wisdom thought the interpretation of history and canon forming **Law, Literature, and Society in Legal Texts from Qumran** Jutta Jokiranta, Molly Zahn, 2019-02-11 Reflecting the increasing recognition of the importance of legal texts and issues in early Judaism the essays in this collection examine halakhic and rule texts found at Qumran in light of the latest scholarship on text production social organization and material culture in early Judaism The contributors present new interpretations of long lived topics such as the sobriquet seekers of the smooth things the Treatise of the Two Spirits and 4QMMT and take up new approaches to purity issues the role of the ma kil and the Temple Scroll The volume exemplifies the range of ways in which the Qumran legal texts help illuminate early Jewish culture as a whole [The Torah in 1 Maccabees](#) Francis Borchardt, 2014-08-22 This volume addresses two pivotal questions surrounding the composition of 1 Maccabees It sets out to discern the place and function of the torah within the community described by the book However before addressing the main problem the author must first determine the composition history of the text Given that the former orthodoxy of a unitary authorship seems to be breaking down and no consensus has taken its place a literary critical investigation occupies a necessary and lengthy portion of the work Once a recommendation for the book s composition history is reached attitudes toward the inherited Judean tradition are described in each of the strata discovered The resulting study reveals a wide variety of opinions on the Judean traditions and their function in society This contributes to the current trend in scholarship of the Hellenistic period questioning the dichotomy between Judaism and Hellenism by demonstrating the different attitudes within even one text **Elenchus of Biblica** , 2005 *European Journal of Jewish Studies* , 2007
