Easy Ai Podcast Editor Tips For Remote Workers:

The Journalist's Toolbox Mike Reilley, 2024-01-05 Focusing on the how and why of digital reporting this interactive textbook equips readers with all the skills they need to succeed in today's multimedia reporting landscape. The Journalist's Toolbox is an extension of the Journalist's Toolbox AI website which provides links to tools organized by beats and topics as well as social channels, a newsletter, and more than 95 training videos relevant to journalists. This handbook offers a deep dive into these digital resources explaining how they can be manipulated to build multimedia stories online and in broadcast. It covers all the basics of data journalism, fact checking, using social media, editing, and ethics, as well as video, photo, and audio production and storytelling. The book considers digital journalism from a global perspective, including examples and interviews with journalists from around the world. Packed full of hands-on exercises and insider tips, *The Journalist's Toolbox* is an essential companion for students of online digital journalism, multimedia storytelling, and advanced reporting. This book will also make an ideal reference for practicing journalists looking to hone their craft. This book is supported by training videos, interactive charts, and a pop-up glossary of key terms which are available as part of an interactive e-book or online for those using the print book.

The Podcaster's Audio Guide Jay Cockburn, 2022-01-31 The Podcaster's Audio Guide is a concise introduction to simple sound engineering techniques for podcasters. This digestible guide explains the basics of audio engineering from equipment to recording, editing, mixing, and publishing. Suitable for beginners from all backgrounds, including students and hobbyists, as well as professional content producers looking to experiment with podcasts, *The Podcaster's Audio Guide* is the perfect resource with cheat sheets, starting set-ups, and a comprehensive jargon buster.

Designing and Facilitating Workshops with Intentionality Tolulope Noah, 2025-06-25 *Designing and Facilitating Workshops with Intentionality* offers practical guidance, tools, and resources to assist practitioners in creating effective, engaging workshops for adult learners. Drawing from three key learning frameworks and the author's considerable expertise in facilitating workshops across both educational and corporate settings, this book focuses on ten essential principles to consider when developing professional learning experiences. Whether facilitating on-site or virtually, readers will gain a deeper understanding of how to design and facilitate workshops with an inclusive mindset, thus creating meaningful, active learning opportunities that result in greater involvement among participants and better feedback. Guiding questions, chapter takeaways, and a compendium of additional online resources supply plentiful opportunities to further build and fine-tune these skills. Within these pages, both new and seasoned facilitators will find inspiration, encouragement, and support as they craft professional learning experiences that ignite curiosity and spark growth in all learners.
