Agent Molière Geoff Andrews, 2020-02-06 The Cambridge Spies continue to fascinate but one of them John Cairncross has always been more of an enigma than the others He worked alone and was driven by his hostility to Fascism rather than to the promotion of Communism During his war time work at Bletchley Park he passed documents to the Soviets which went on to influence the Battle of Kursk Now Geoff Andrews has access to the Cairncross papers and secrets and has spoken to friends relatives and former colleagues A complex individual emerges a scholar as well as a spy whose motivations have often been misunderstood After his resignation from the Civil Service Cairncross moved to Italy and here he rebuilt his life as a foreign correspondent editor and university professor This gave him new circles and friendships which included the writer Graham Greene while he always lived with the fear that his earlier espionage would come to light The full account of Cairncross's spying his confession and his dramatic public exposure as the fifth man will be told here for the first time while also unveiling the story of his post espionage life **Historical Dictionary of British Spy Fiction** Alan Burton, 2016-04-04 The Historical Dictionary of British Spy Fiction is a detailed overview of the rich history and achievements of the British espionage story in literature cinema and television It provides detailed yet accessible information on numerous individual authors novels films

Spy Runner Nicholas Reed,2020-09-01 Most of us remember the seventh of September 1940 as the day the London docks were bombed and devastated by fire I remember it as the day I was called up But the police car that collected me took me to Wormwood Scrubs Prison Major Ronnie Reed never spoke about what he did in the Second World War He was only 23 when it broke out an amateur radio enthusiast who was working as a maintenance engineer for the BBC And yet despite minimal money and qualifications he became one of the men behind some of the most remarkable spy stories of all time Recruited in the dead of night from his Anderson shelter Ronnie became a case officer for double agents including Eddie Chapman known then as Agent Zigzag The passport photo of The Man Who Never Was was a photo of Ronnie Reed For ten years after the Second World War he headed the anti Russian department of MI5 dealing with notorious spies such as Philby Burgess and Maclean In 1994 shortly before Ronnie s death he revealed the truth of his remarkable past to his son Nicholas In Spy Runner he reveals his father s fascinating story with a collection of recently released reports and photos from The National Archives and intimate family snaps
