Building Blocks for Learning Occupational Therapy Approaches Jill Jenkinson, Tessa Hyde, Saffia Ahmad, 2008-11-20

Building Blocks for Learning Occupational Therapy Approaches is a resource book for educational staff and pediatric occupational therapists especially those new to the field. It shows how the implications of physical, psychological, social, and learning difficulties impact upon children's abilities. This highly practical book will help readers recognize when a student's poor performance within the classroom is a result of a medical condition or underlying motor and perceptual deficits.

Languages in Primary School María del Pilar García Mayo, 2017-06-16. This book presents research on the learning of foreign languages by children aged 6-12 years old in primary school settings. The collection provides a significant and important contribution to this often overlooked domain and aims to provide research-based evidence that might help to inform and develop pedagogical practice. Topics covered in the chapters include the influence of learner characteristics on word retrieval, explicit second language learning and language awareness, meaning construction, narrative oral development, conversational interaction and how it relates to individual variables, first language use, feedback on written production, intercultural awareness raising and feedback on diagnostic assessment. It will be of interest to undergraduate and graduate students, researchers, teachers and stakeholders who are interested in research on how children learn a second language at primary school. Resources in Education, 1995-04 Kid's Box Starter Teacher's Book Lucy Frino, Caroline Nixon, Michael Tomlinson, 2014-06-26. Second edition of this popular course for young learners now seven levels including Starter. Well loved by children and teachers the world over, Kid's Box is bursting with bright ideas to inspire you and your pupils. Perfect for general use, the course also fully covers the syllabus of the Cambridge Young Learners English (YLE) tests, preparing your students for success at Starters, Movers and Flyers. The interleaved Teacher's Book contains comprehensive notes as well as extra activities, photocopiable pages and classroom ideas to inspire both teacher and students. Which Degree Guide, 2001
