Renowned for his absurdist re-visioning of the world and experimentation with the techniques of humour in his writings Lao She has written about most major historical events in modern China In his masterpiece *Camel Xiangzi* he reveals his prophetic vision of the future of China The novel depicts the life of Xiangzi a young rickshaw puller in Beijing who fails to improve his life no matter how hard he works When innocent people's hopes are destroyed they are awakened to the truth that they are but playthings of fate which is a Chinese concept for the unnameable in life's absurdities The novel demonstrates the techniques of bitter humour Lao She employs in his portrayal of characters who are caught in the endless social turmoil in the 1930s The novel's socio-historical dimensions have made it a widely used text for the cultural analysis of modern China Book jacket **Masterplots** Frank Northen Magill, 1996 *Lao She, China's Master Storyteller* Britt Towery, 1999 A lively readable study of one of China's most beloved writers Lao She and his works that shows a great understanding and sympathy for China modern Chinese history and politics It is the most recent and only edition in English on this writer who died tragically in 1966 at the start of the Cultural Revolution Lao She's writings and life are presented in a straight forward style that should endear Lao She to a whole new generation *Teahouse & Camel Xiangzi*, 2014
