Camelot Vocal Score:

Camelot Frederick Loewe, **Camelot** Frederick Loewe, Alan Jay Lerner, 1962 **The American Musical and the Performance of Personal Identity** Raymond Knapp, 2010-06-21 The American musical has long provided an important vehicle through which writers performers and audiences reimagine who they are and how they might best interact with the world around them Musicals are especially good at this because they provide not only an opportunity for us to enact dramatic versions of alternative identities but also the material for performing such alternatives in the real world through songs and the characters and attitudes those songs project This book addresses a variety of specific themes in musicals that serve this general function fairy tale and fantasy idealism and inspiration gender and sexuality and relationships among others It also considers three overlapping genres that are central in quite different ways to the projection of personal identity operetta movie musicals and operatic musicals Among the musicals discussed are Camelot Candide Chicago Company Evita Gypsy Into the Woods Kiss Me Kate A Little Night Music Man of La Mancha Meet Me in St Louis The Merry Widow Moulin Rouge My Fair Lady Passion The Rocky Horror Picture Show Singin in the Rain Stormy Weather Sweeney Todd and The Wizard of Oz Complementing the author's earlier work The American Musical and the Formation of National Identity this book completes a two volume thematic history of the genre designed for general audiences and specialists alike **Camelot** Frederick Loewe, 1967 **Music Theory Through Musical Theatre** John Charles Franceschina, 2015 Music Theory through Musical Theatre provides a way of teaching music theory by way of musical theatre Not simply a traditional music theory text the book tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on preparing students for a professional career **Camelot** Frederick Loewe, 1962 **Library of Congress Catalog** Library of Congress, 1973 A cumulative list of works represented by Library of Congress printed cards **A Basic Music Library** Pauline Shaw Bayne, Music Library Association. Committee on Basic Music Collection, 1983 **Arias, Ensembles, & Choruses** John Yaffé, David Daniels, 2011-11-17 Conductors John Yaff and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels Orchestral Music Arias Ensembles Choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording

This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield s music editor for assistance **Shall We Dance?** George Gershwin,1937
