**Queen's Autumn Gambit** Kristen Kindoll,2013-02-17 Carolyn Ainsworth is drawn into a twisted game of English chess which places her in a delicate situation Does finding out the truth about her family merit destroying all that she has known The Queen s Gambit is a precise chess maneuver that calculates key positions upon the board In order to play Carolyn must accept the terms of the inheritance The other beneficiary Luca Caldwell is maneuvered to participate in this archaic game of alliances Their forced partnership begins on opposite sides As they progress they discover mounting secrets about both of their families What starts out in conflict they unite with one common purpose to discover who has been manipulating them As the autumn leaves fall from the trees Carolyn and Luca find themselves embroiled in the mounting lies They begin to question if they are the players or merely pieces in a greater scheme Will the white side control the board or will black rule the game *Jaguar's Shadow* Richard Mahler,2009-09-01 When the nature writer Richard Mahler discovers that wild jaguars are prowling a remote corner of his home state of New Mexico he embarks on a determined quest to see in the flesh a big beautiful cat that is the stuff of legend yet verifiably real Mahler s passion sets in motion a years long adventure through trackless deserts steamy jungles and malarial swamps as well as a confounding immersion in centuries old debates over how we should properly regard these powerful predators as varmints or as icons trophies or gods He is drawn from border badlands south to Panama s rain forest along a route where the fate of nearly all wildlife now rests in human hands Mahler s odyssey introduces him to unrepentant poachers pragmatic ranchers midnight drug runners ardent conservationists trance induced shamans hopeful biologists stodgy bureaucrats academic philosophers macho hunters and gentle Maya Indians Along the way he is forced to reconsider the true meaning of his search and the enduring symbolism of the jaguar *Sullivan's Law* Nancy Taylor Rosenberg,2004 Probation officer Carolyn Sullivan fears for her life when she investigates the arrest of one of her probationers for rape and discovers a link to a twenty three year old crime and cover up that could send an innocent man to jail **Crystal Illusions** J.E. Taylor,2018-05-29 Assistant D A Carolyn Hastings has an uncanny knack for putting away criminals With one of the best prosecution records in recent history her future as Manhattan s next District Attorney looks certain But her sixth sense for

winning cases threatens to work against her when she starts seeing a string of murders through the eyes of the killer With suspects piling up as fast as bodies and the motives of those closest to her questionable Carolyn doesn't know who to trust When the FBI assigns Special Agent Steve Williams to the case Carolyn discloses her deepest fear that the man she loves may be the one responsible for the city's latest crime spree The only thing Steve knows for sure is Carolyn has an inexplicable psychic connection with the killer and all the victims have one thing in common a striking resemblance to Carolyn Hastings And he knows it's only a matter of time before this psychopath knocks on her door Taylor has a strong thriller where every single character has reasonable doubt flashing like a neon sign hanging over them and right from the beginning you are trying to guess who the killer really is Gripping rich and magnificent crime whodunnits don't get any better than this Author Poppet Gemma Rice Author of *QUISLINGS* *BLINDSIDED* *DJINN* and *DUSAN CRYSTAL ILLUSIONS* is a dizzying thriller with a terrifying killer a unique detective and some twists you will not see coming This is Steve Williams most addictive adventure so far and J E Taylor at her very best Ty Drago Author of *PHOBOS* and *THE UNDERTAKERS RISE OF THE CORPSES* and Managing Editor Publisher of *ALLEGORY* E zine This has to be one of the best mysteries I have ever read Move over Agatha Christie there's a new sheriff in town and she is great PRG Reviews *The Usual Rules* Joyce Maynard, 2003-02-28 The story takes place during September 11 Terrorist Attacks 2001 **This Day in History** Anthony Varallo, 2009-09 On the verge of maturity where parents are distant or absent friendships are often more accidental than deliberate and restless angst is common Anthony Varallo's adolescent protagonists dissect the world and their place in it with keen perception This Day in History deftly collects their moments of discovery There's a feeling I get whenever I enter an unfamiliar house as if a secret inventory has been handed to me and I am made to understand that the sofa cushions are stained underneath the coffee table nursing one gimp leg the books along the bookcase stolen from summer rental and the dining room table used only for Christmas and taxes the narrator confesses in the first of Varallo's twelve stories Here a birthday party for an unpopular classmate reveals an adult world both familiar and utterly strange In subsequent stories a young girl longs to be a part of her best friend's family only to discover the family is less than ideal two sisters recall the childhood houses they grew up and apart in places inseparable from each woman's notion of the other and a mother and son set off on a bold and hopeless errand their suburban neighborhood momentarily transformed into a stage As these children stand on the brink of adulthood unsure how to move forward striving to make sense of the world around them they often discover that the distance between themselves and others is no nearly so great as first imagined Funny sad and hopeful Varallo's stories make a gentle argument for connection and community and in doing so seek to extend our sympathy toward the world Camera ,1916 **Restaurants & Institutions** ,1985 *California. Court of Appeal (2nd Appellate District). Records and Briefs* California (State)., Number of Exhibits 10 **Cameras in the Curriculum** ,1985 Television Dramatic Camerawork Rolf Hector Currie, 1958 **Access** ,1982 **New York Supreme Court** , **American**

Katz,2001 The King of the Ferret Leggers and Other True Stories collects journalist Donald Katz s most fascinating profiles of people whose lives tell us something about business adventure sports politics culture and in a brilliant ancillary way ourselves Katz s opening story and the title piece of the book offers a hilarious yet appropriately reverential look at 72 year old Reg Mellor unparalleled ferret legging champion of Yorkshire and the world Other characters who populate this book include fitness guru Jack LaLanne legendary entrepreneur Paul Hawken and master political cartoonist and inspired troublemaker Bill Mauldin While this collection contains portraits that are varied in scene and tone their depictions of obsession delusion perseverance creativity and good heartedness the list could go on and on remain a constant Each of these stories conveys a sense of the strangeness wonder and oddity of life a theme that provides a gravitational center to this multifarious selection drawn from twenty years of an award winning non fiction story teller s body of work
