**After Diana** Christopher Andersen, 2008-05-27 This family did not have a drop of humanity in it before I think I've changed that Diana For all the millions of words that have been written about the People's Princess no one has yet penetrated palace walls to reveal what has really happened to the Royal Family she left behind ten years ago Until now In the manner of his No 1 New York Times bestsellers The Day Diana Died and The Day John Died as well as such other bestsellers as his Jack and Jackie Jackie After Jack and Diana's Boys Christopher Andersen who was consulted by Operation Paget Scotland Yard's official inquiry into

Diana's Death draws on important new sources to paint the first full portrait of a Royal Family still haunted by the ghost of Diana. All the compelling elements of a true dynastic saga are here: power, sex, wealth, intrigue, betrayal, tragedy, and scandal. But so too is the Princess's legacy of love and compassion alive in the sons who have grown to manhood and are now forging a legacy of their own. Among After Diana's many stunning revelations: The many times Diana predicted with uncanny accuracy how she would die, why she feared for Camilla's life as well as her own, and the surprising never-before-revealed identity of the woman Diana really felt might one day be Queen. New details about the hours and days after Diana's death, Charles's reaction the moment he saw Diana's body, how Camilla dealt with suddenly becoming the most hated woman in the world, and her secret eight-year campaign to replace Diana. How William and Harry have dealt with the public and private pressures, the troubling influence of their substance-abusing aristocrat friends, from drugs to Nazi uniforms to lap dances and barroom brawls. Fresh details about the Prince's wild behavior and the demons that still haunt them. How Charles cheated on Camilla as well as Diana, and the intriguing other women in the Prince of Wales's life. Despite Charles's heated denials, the scenes maneuvering to make Camilla Queen and the Palace power struggle that rages today. Inside Operation Paget: Scotland Yard's ongoing probe into Diana's death, why ten years after investigators were still shocked by what they found. The day Charles was asked point-blank by Scotland Yard if he killed his wife, and what he said. The many beautiful young women in the lives of William and Harry over the past ten years, including Will's longtime love, Kate Middleton, her chances of one day becoming Queen, and why he fears she may meet the same fate as his mother. William's obsession with speed, Harry's hunger for risk-taking and a shared thirst for battle that could lead both Princes to combat in Iraq. New information on whether the Queen plans to step aside and who she really wants to see succeed her on the throne. Sometimes heartbreaking, often inspiring, always riveting. After Diana is more than just the first comprehensive, compelling biography of the House of Windsor as it is today. It is a bittersweet tale of love, loss, duty, and destiny. It is the story of a family.

*Diana* Donald Spoto, Donald Spoto, M.A., Ph.D., 1998-08-18. Critically acclaimed best-selling biographer Donald Spoto recounts all the pain, promise, and joy of the last year in the tragically short life of Diana, Princess of Wales. For those of us who loved and admired her, Diana's final year was in many ways the most fascinating and insightful of her life. It was a turbulent, amazing period in which she formally severed her marriage ties to the heir to the British throne, fell passionately in love with Dodi al Fayed, and truly began to come into her own after years of personal adversity. In *Diana: The Last Year*, Donald Spoto allows us to finally understand the complete story of this woman in conflict. Diana was driven by a philanthropic desire to relieve suffering and change the world, but she was also determined to make up for a youth that was taken from her at the age of nineteen when she became the wife of the future king of England. In Donald Spoto's elegant and richly satisfying book, Diana's last year is set before us in all of its triumph and glory.
