illuminates her childhood and the rise of her career in the setting of her ecstatic life with Rodin Their ten years of bliss are followed by the disintegration of her love for him and its evolution into hatred and psychosis The last third of the book describes the horrors of Claudel's life in the asylum ending with the highly original manner in which she comes to terms psychologically with Rodin and the other important figures in her life *Rodin* Catherine Lampert, Royal Academy of Arts (Great Britain), 2006 Lavishly illustrated with new photography of famous works as well as many unusual and dramatic works never shown outside France this book also features photographs by Rodin and his contemporaries **Bibliographic Guide to Art and Architecture** New York Public Library.
