CaminoS Solidarios De La Economía Argentina

Carlos Corredor Jiménez

Caminos Solidarios De La Economía Argentina:

Caminos solidarios de la economía argentina Floreal H. Forni, Lucrecia Barreiro, 2004 *Desarrollo rural territorial, economía campesina y caminos solidarios* Corredor Jiménez, Carlos Enrique, Campo Zambrano, Daniel Sneyder, Mera Paz, Yulieth Karina, Sánchez Mosquera, María Isabel, Peña Forero, Enrique, 2017-07-21 En la actualidad se ha logrado identificar la necesidad de pensar el espacio como una construcción sociocultural y económica en donde intervienen los actores locales en el proceso para su propio bienestar permitiendo que la producción rural sea desplegada más allá de la individualidad de la finca y se integre a procesos locales regionales nacionales y globales Es así como la innovación social en la ruralidad se entiende en sentidos ambientales económicos y culturales de acuerdo a la multifuncionalidad del territorio **Social Debtfare Policies**

Tomás Nougués, 2025-10-09 The book examines the evolution of Argentina's welfare policies from 1983 to 2019 focusing on the historical connections between social policies financial markets and households an area largely overlooked in existing literature Unlike previous studies that emphasize the role of cash transfers in facilitating low income households access to credit this analysis highlights the financialization of welfare policies and its broader implications The author identifies three distinct stages in the financialization process of Argentine welfare policy illustrating how financial logic and instruments have permeated various aspects of welfare and the daily lives of low income families The book also introduces the concept of social debtfare policies which incorporate financial tools particularly credit as instruments to meet social needs This shift signifies a move toward the financialization of rights related to economic social and cultural well being A central argument of the book is that the Argentine state has actively engaged in financializing welfare employing financial knowledge and technologies to manage rising social tensions This transformation reverses the traditional dynamic of social protection where citizens are creditors of their rights and the state is the debtor Instead social debtfare policies position the state as a creditor and welfare users as debtors thereby altering the relationship between individuals and the state regarding access to essential services such as work housing education and basic consumption The analysis reveals how this shift disrupts conventional social protection dynamics and highlights the state's evolving role from a debtor of rights to a creditor for the working poor uncovering new dimensions of welfare provision in Latin America Through a combination of regulatory analysis expert reports literature reviews and interviews the book provides a comprehensive view of the intricate ties between welfare policy and finance in Argentina **Movimientos sociales y derechos humanos en la Argentina** Brenda Pereyra, Pablo

Vommaro, 2010 Resulta imposible pensar los derechos humanos sin los movimientos sociales Desafiando la noción de justicia socialmente construida los movimientos sociales en la Argentina proponen redefiniciones inclusivas Las injusticias ocultas salen a la luz y la construcción ciudadana de los sectores antes excluidos se ve claramente fortalecida Luego de un repaso por su historia reciente más una referencia a los derechos humanos económicos y culturales en general el libro aborda las experiencias concretas de los movimientos sociales y sus luchas **La otra agricultura** Clara Craviotti, 2020-01-01 Los

cambios ocurridos en la agricultura durante los últimos años obligan a nuevos análisis y reflexiones. Los especialistas reunidos en este libro analizan cuestiones como los microemprendimientos, las redes sociales, el autoempleo, etc. en este nuevo contexto.

Pobreza y desigualdad en América Latina y el Caribe María Mercedes Di Virgilio, María Pía Otero, Paula

Boniolo, 2011. Este libro es parte de la colección Libro en BiblioBoard **European Review of Latin American and**

Caribbean Studies, 2005 **Handbook of Research on Social Entrepreneurship and Solidarity Economics**

Saiz-Álvarez, José Manuel, 2016-05-19. Education programs in social entrepreneurship help to create and fill jobs devoted to developing the local economy which has become a dual transfer strategy by which a virtuous circle occurs between a retrofitted educational system based on social entrepreneurship and vocational students who are highly entrepreneurial. The Handbook of Research on Social Entrepreneurship and Solidarity Economics focuses on practical experience and theoretical models for popularizing the concept of social entrepreneurship as a critical element of economic growth. Emphasizing the ways in which social entrepreneurship benefits developing regions, small and medium enterprises, and low income communities, this handbook of research is a pivotal reference source for professionals, academics, and graduate level students in the fields of economics, business administration, sociology, education, politics, and international relations. Desarrollo rural

territorial, economía campesina y caminos solidarios Carlos Corredor Jiménez, 2017 **Yo Quiero Tener Un Millón de**

Amigos Lucrecia Barreiro, Lucimeire V. Leite, 2010-04-29. Este libro hace un análisis de cómo el concepto de capital social, bastante utilizado en las Ciencias Sociales, se aplica a las dos redes sociales más importantes en Brasil y Argentina

respectivamente, Orkut y Facebook. Producto de un trabajo académico, este libro es interesante no solo para todos los que se interesen por las redes sociales virtuales, sino también para los que empiezan a investigar cuestiones relacionadas al capital social. *Ética, desarrollo y región* María Gabriela Molina, 2006 *Entre el campo y la ciudad* Clara Craviotti, 2006

Anuario antropología social y cultural en Uruguay, 2015 **Burocracia plebeya** Luisina Perelmiter, 2016. Es habitual escuchar que el Estado funciona mal. Sospechas de cooptación, desvío de recursos e irracionalidad son los lugares comunes del discurso sobre la burocracia estatal, sobre todo cuando se trata de organismos que proveen asistencia a los pobres. Sin embargo, sabemos muy poco sobre lo que sucede en las tramas internas del Estado. Burocracia plebeya, la trastienda de la asistencia social en el Estado argentino, se adentra en la vida cotidiana del Ministerio de Desarrollo Social de la Nación durante la primera mitad de los gobiernos kirchneristas entre 2003 y 2009, un período muy especial de la Argentina y del peronismo que se inicia con un escenario dramático y una gran conflictividad política, en cuya salida este Ministerio cumplió un rol decisivo. Lejos de una mirada punitiva y normativa acompañada a empleados y funcionarios por los pasillos ministeriales y el territorio, analiza sus pujas internas, sus ambiciones, dilemas y convicciones, y sus maneras de vincularse con los destinatarios de la asistencia. Muestra cómo y por qué los dispositivos organizacionales y las prácticas corrientes de los agentes estatales en el período hicieron de la búsqueda de proximidad su principal horizonte político. Este libro es tanto la

historia de esa apuesta política como un retrato microscópico y conceptual de las paradojas institucionales de una determinada cultura política extendida en nuestro país renuente a las jerarquías y las marcas de estatus *L@tbook Argentina*, 2005 Cine argentino Octavio Getino, 2005 *El desarrollo en un contexto posneoliberal* Daniel R. García Delgado, Luciano Nosetto, 2006 Desarrollo rural Mabel Manzanal, Guillermo Neiman, Mario J. Lattuada, 2006 **Cine iberoamericano** Octavio Getino, 2007 **Estudios sociológicos**, 2012
