Camp And Trail Methods:

Camp and Trail Methods Elmer Harry Kreps, 1910 **Camp and Trail Methods** Elmer Harry Kreps, 1933 **Camp and Trail Methods (1910)** Elmer Harry Kreps, 2023-05-16 One of the most practical works on woodcraft ever written Hunter trader trapper 1911 Kreps walked trapped and consorted with Indians learning much along the way as well as hobnobbing with other expert trappers around the continent The Science of Trapping Old Time Lessons on Catching Animals for Fur 2016 Elmer Kreps Camp and Trail Methods 1910 reveals common chapters on essential wilderness know how The Wilderness Debate Rages on 2008 What information should a true outdoorsman keep on hand for surviving an extended stay in the wilderness when all the conveniences of the modern outdoor glamping lifestyle are missing In 1910 expert outdoorsman Elmer Harry Kreps 1880 1957 answers this question in his famous woodcraft book titled Camp and Trail Methods Topics covered by Kreps include appropriate wilderness equipment appropriate clothing backpacking equipment outdoor cooking equipment and recipes best types of firearms knives and axes tents and building shelters canoes and hunting boats snowshoeing skiing sledding food provisions to bring bush travel tanning hides and furs preserving game and fish and many unique outdoorsman tips In introducing his book Kreps writes There are many works on woodcraft written by sportsmen fishermen and campers but only a few of these books were written by practical woodsmen and for people who want to belong to that class Such books are intended for the big game hunter or the fisherman who goes for a short stay into some easily accessible location well equipped and with a guide who does all of the work and looks after the comfort of those whom he has in charge This book is a decided departure from that class as it not only gives the information needed by the tourist and summer camper but gives special attention to the needs of those practical ones whose calling whatever it may be leads them into the wilds and holds them there at all times of the year the hunter the fisherman the trapper the prospector the surveyor all these and many others will find much valuable information in this book **Camp and Trail Methods** Elmer Harry Kreps, 1940-06-01 Interesting information for all lovers of nature what to take and what to do *Camp And Trail Methods (Legacy Edition)* Elmer Kreps, 2019-09-29 Tips and Tricks for Life on the Trail This reprint edition of the classic Camp and Trail Methods by Elmer Kreps brings to light many of the old time tricks and traditional ways of the woods that some of the more comprehensive instruction manuals leave out Originally published in 1910 this book includes less common but enjoyable activities of the wilds Activities discussed within include backwoods travel snowshoeing and snowshoe making toboggan and sled making trapping fur preparation and buckskin tanning skiing clothing for the outdoors and bushcraft This text was a popular volume originally published by the A R Harding Company at the turn of the 20th Century The Harding Company published little manuals for niche outdoors activities instead of the the general camping manuals that were in virtually every collection in the day If you ever wanted to make your own outdoors gear in the traditional way of the trapper then this book is for you Because there were virtually no outfitters in the late 1800 s everything had to be made from scratch

by hand Let Elmer Kreps show you the way to making some of your own authentic outdoors gear with this handy richly illustrated little book A part of the Library of American Outdoors Classics Volume 4 This Doublebit Legacy Edition reprint of Camp Trail Methods is professionally restored and presented from the original source with the highest degree of fidelity possible Readers can enjoy this Legacy Edition for generations to come and learn from its timeless knowledge About the Doublebit Press Library of American Outdoors Classics With technology playing a major role in everyday life sometimes we need to take a step back in time to find those basic building blocks used for gaining mastery the things that we have luckily not completely lost and has been recorded in books over the last two centuries These skills aren t forgotten they ve just been shelved It s time to unshelve them once again and reclaim the lost knowledge of self sufficiency As a part of the Doublebit Press Library of American Outdoors Classics this Legacy Edition volume is reprinted in the exact form as it was presented in the original publication Great care has been taken by the publishing team to preserve this work with clean images clear text and high quality photographic editing For outdoors enthusiasts who demand the best from their equipment this Doublebit Press Legacy Edition reprint was made with you in mind Both important and minor details have equally both been accounted for by our publishing staff down to the cover font layout and images It is the goal of Doublebit Legacy Edition series to preserve outdoors heritage but also be cherished as collectible pieces worthy of collection in any outdoorsperson s library and that can be passed to future generations Through remastered reprint editions of timeless classics of outdoor recreation perhaps lost knowledge can be regained for future generations The books in this library have been chosen because much of the basic skills and knowledge they contain have been forgotten or put to the wayside in lieu of more modern conveniences and methods This volume is worth close study as well as collection by outdoors folk in the modern era of outdoors and traditional skills life

Camp and Trail Methods E. Kreps,2000 **Camp and Trail Methods** Elmer Harry Kreps,1950

Camp and Trail Methods Elmer H. Kreps,2016-07-07 From early boyhood Elmer H Kreps took a great interest in hunting and trapping As he grew older he visited various parts of the United States and Canada and being a keen observer picked up a vast amount of information about life in the woods and fields Kreps wrote dozens of articles on various subjects connected with hunting and trapping and *Camp and Trail Methods* is his follow up to the highly successful *Woodcraft* Published in 1910 *Camp and Trail Methods* provides an in depth look into topics as diverse as Camp outfits packs firearms tents canoes snowshoeing sleds bush travel camp cookery and more Today more than 100 years after it was first published *Camp and Trail Methods* continues to exist as a classic woodcraft and bushcraft text The interior of this new edition from Ropesend Creek Press is a perfect replica of the original Page numbering illustrations layout table of contents index and any footnotes are exactly as they appeared when the original book was published With this new edition the book is ready for a new lease of life through a modern readership
