Campaigning with the Irish Brigade John Ryan, Sandy Barnard, 2001 **Thomas Francis Meagher and the Irish Brigade in the Civil War** Daniel M. Callaghan, 2012-11-22 When President Lincoln issued his 1861 call to arms the 63rd 69th and 88th New York Volunteers were among the first to step forward Comprised primarily of first and second generation Irish immigrants these three regiments were later joined by the 28th Massachusetts and the 116th Pennsylvania Suffering heavy casualties this Irish Brigade commanded by Thomas Francis Meagher was one of the most famous fighting groups of the Civil War This work provides a balanced historically factual picture of the Irish Brigade and its commander focusing on their role in the Seven Days battles and at Sharpsburg Fredericksburg and Chancellorsville Primary sources range from veterans memoirs published just after the war to letters and memoirs published as recently as 1996 The Bristoe Campaign Adrian Tighe, 2011-03-14 Described by John Esten Cooke of JEB Stuart's staff as one of the liveliest episodes of the late war the Bristoe Campaign was a small and seemingly unimportant event sandwiched between the battle at Gettysburg and the Wilderness bloodbath Bristoe receives scant attention from historians despite being an attempt by Lee to seize the strategic initiative Marking the decline in Confederate leadership Lee's inability to compensate and the growing Union confidence and capability The campaign outcome was significant being the turning point of the war as Lee was now on the defensive and the Union forces held the initiative **The Battle of First Deep Bottom** James S Price, 2009-02-23 This Civil War history examines a complex and pivotal yet often overlooked battle of the Petersburg Campaign On July 26 1864 Union general Winfield Scott Hancock's corps and three cavalry divisions under Philip H Sheridan crossed to the north side of the James River at the Deep Bottom bridgehead What was supposed to be a raid on Confederate railroads and possibly even a breakthrough to the Confederate capital of Richmond turned into a bloody skirmish Richard H Anderson's Confederate forces prevented a Union victory but only at a great cost In response Robert E Lee was forced to move half his army from the key fortifications at Petersburg which were left all the more vulnerable in the subsequent Battle of the Crater Historian James S Price presents an authoritative chronicle of this pivotal moment in the Petersburg Campaign and the close of the war Including newly constructed maps from Steven Stanley and a foreword from fellow Civil War scholar Hampton Newsome this is the definitive account of the Battle of First Deep Bottom Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O'Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West

Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts

Green and Blue Damian Shiels, 2025-04-17 Damian Shiels's *Green and Blue* explores Irish American service in the United States military by analyzing the written correspondence of ordinary rank and file soldiers drawn from across the Union's armed forces Using a vast and largely untapped collection of letters penned by Irish American combatants to their families during the war Shiels explains how these enlisted men navigated their duties from multiple perspectives including how they adapted to and experienced military life how they engaged with their faith and how they interacted with the home front *Green and Blue* offers the most detailed and intimate picture yet of Irish Americans service in the United States military during the Civil War

[The Union War](#) Gary W. Gallagher, 2012-09-03 Even one hundred and fifty years later we are haunted by the Civil War by its division its bloodshed and perhaps above all by its origins Today many believe that the war was fought over slavery This answer satisfies our contemporary sense of justice but as Gary Gallagher shows in this brilliant revisionist history it is an anachronistic judgment In a searing analysis of the Civil War North as revealed in contemporary letters diaries and documents Gallagher demonstrates that what motivated the North to go to war and persist in an increasingly bloody effort was primarily preservation of the Union Devotion to the Union bonded nineteenth century Americans in the North and West against a slaveholding aristocracy in the South and a Europe that seemed destined for oligarchy Northerners believed they were fighting to save the republic and with it the world's best hope for democracy Once we understand the centrality of union we can in turn appreciate the force that made northern victory possible the citizen soldier Gallagher reveals how the massive volunteer army of the North fought to confirm American exceptionalism by salvaging the Union Contemporary concerns have distorted the reality of nineteenth century Americans who embraced emancipation primarily to punish secessionists and remove slavery as a future threat to union goals that emerged in the process of war As Gallagher recovers why and how the Civil War was fought we gain a more honest understanding of why and how it was won

Burnside's Boys Darin Wiperman, 2023-04-01 Unique among Union army corps the Ninth fought in both the Eastern and Western theaters of the Civil War The corps veterans called their service a geography class and others have called the Ninth a wandering corps because it covered more ground than any corps in the Union armies With the same attention to detail that he gave to the First Corps in *First for the Union* Darin Wiperman vividly reconstructs life and death in the Ninth Corps The roots of the Ninth Corps lay in the early 1862 coastal expeditions in the Carolinas under Ambrose Burnside After this successful

campaign a master class in Civil War amphibious warfare that turned Burnside into a star Burnside's units coalesced into a corps part of which reinforced Pope's Army of Virginia at Second Bull Run during the summer of 1862 The Ninth fought with the Army of the Potomac in the Maryland campaign in September 1862 first at the Battle of South Mountain and then in its most famous action at Antietam where it suffered 25 percent casualties attempting to seize what became known as Burnside's Bridge Three months later the corps was lightly engaged at the Battle of Fredericksburg during which Burnside commanded the entire Army of the Potomac After the disaster of Fredericksburg the Ninth again under Burnside spent much of 1863 in the West with the Army of the Ohio performing occupation duty in Kentucky and then in Grant's campaign to take Vicksburg Mississippi It fought in Tennessee and helped take Knoxville before returning East a shell of itself thanks largely to disease Reorganized the Ninth joined Grant's Overland Campaign in Virginia fighting with horrifying losses at the Wilderness and Spotsylvania It joined the siege of Petersburg including the infamous Battle of the Crater in July 1864 and remained at Petersburg through the end of the war where it participated in the assault that broke the siege in April 1865 forcing Lee's army into retreat and final defeat at Appomattox From the Carolinas to Maryland from Kentucky Mississippi and Tennessee to Virginia the Ninth Corps sacrificed for the Union and burnished its place in the annals of the American Civil War
