Campaigning With King:

Campaigning with King Don Russell,1991-01-01 *Dr. Martin Luther King Jr. and the Poor People's Campaign of 1968* Robert Hamilton,2020-12-01 This book introduces new audiences to Dr Martin Luther King Jr s final initiative the multiracial Poor People s Campaign PPC of 1968 Robert Hamilton depicts the experience of poor people who traveled to Washington in May 1968 to dramatize the issue of poverty by building a temporary city Resurrection City His narrative allows us to hear their voices and understand the strategies objectives and organization of the campaign In addition he highlights the campaign s educational aspect showing that significant social movements are a means by which societies learn about themselves and framing the PPC as an initiative whose example can teach and inspire current and future generations The study thus situates Dr Martin Luther King Jr s legacy and teachings in relation to current events and further solidifies Dr King s cultural and sociopolitical relevance In the decades since 1968 we have seen increasing global inequality leading to greater social polarization including in the United States Hamilton offers the insight that the radical politics of Dr King as represented in the civil rights and human rights agendas of the PPC can help us understand and address the challenges of this polarization Hamilton highlights Dr King s commitment to ending poverty and explains why Dr King s ideas on this and related issues should be brought to the attention of a wider public who often view him almost exclusively as a civil rights but not a human rights leader **Campaigning in South Africa and Egypt** William Charles Francis Molyneux,1896 The Socialist Campaign Book of ... ,1912 **The campaign guide, an election handbook for Unionist speakers** National union of conservative associations for Scotland,1900 **The King's Royal Rifle Corps Chronicle** ,1905 **Catalogue of a Series of Photographs, by S.
