Mi Vida...En Uniforme Luis R. Pastrana Silva,2013-12-27 Mi Vida en uniforme in English means My Life in uniform and is a sequel to my first book titled Mi Calle Mi Barrio Mi Pueblo which again translated to English means My Street My Neighborhood My Town Each one of those books narrates a distinct phase of my life with all the anecdotes persons and situations that formed me as a person Mi Vida starts where Mi Calle ends and walks the reader while having a conversation as good friends do through my life as a college student and then as a United States Army Officer for twenty one years which included a war Viet Nam and a series of very challenging and most of them rewarding tours of duty around the world Those years were not easy but they gave me a profound insight into life and those instances some very happy and some very sad are the ones that I wish to share with the reader Take this walk with me and please feel free to join in the conversation Un abrazo Luis
