**God on Campus** Trent Sheppard, 2010-01-04 Trent Sheppard explores historical turning points as they've intersected college students in prayer. From the establishment of early American campuses during the Great Awakening to the parachurch movement in the mid twentieth century to the Campus America initiative to establish vital praying communities on every campus in the United States, Sheppard shows that students can participate in remarkable movements of God simply by being open to being moved.

**Theodorus Frelinghuysen's Evangelism** Scott Maze, 2020-01-01 This book presents a thorough investigation of the evangelistic contributions of Theodorus Jacobus Frelinghuysen 1692-1747 within the context of the First Great Awakening. In it, Scott Maze identifies the theological foundations of Frelinghuysen's ministry, surveys his key evangelistic endeavors, and evaluates the effects these things had on the Great Awakening. This book sheds light on a lesser-known figure of the Great Awakening, reveals the influence of the Dutch Further Reformation (Nadere Reformatie) in colonial North America, and provides significant insights in terms of ministry contextualization for the contemporary student of evangelism.

*Big Things Start Small* Joe M. Easterling, 2021-12-01 History indicates that small group gatherings have been powerfully influential in igniting Christianity's most famous spiritual awakenings. In this groundbreaking study, Joe M. Easterling explores Christianity's four most significant awakenings and how small groups have influenced the rise and sustainability of each. As readers encounter the incredible accounts of how God transformed individuals, communities, and even nations through the movement of His Spirit, they will discover that small groups have been there all along as one of revival's most indispensable contributors. More importantly, readers will learn some common characteristics of the small groups during these awakenings and how they may be used in small groups of churches today in hopes that a spiritual awakening may ignite once again.

Is This the End? (with Bonus Content) Dr. David Jeremiah, 2016-10-04 This eBook includes the full text of the book plus an additional chapter on Europe from Dr. Jeremiah's book *What in the World Is Going On*, not included in the print book. According to the headlines, the world is falling apart. Where's God in all of this change, conflict, and chaos? Pastor David Jeremiah offers culturally relevant and biblically accurate insights on terrorism, radicalized Islam, the new Russia, the debt crisis, and more to reveal how God's hand is at work in His unfolding plan for humanity. Never have headlines been this jarring, cultural changes this rapid, or moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are: Will the world ever be the same again? and Where is God in all of this? Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new

normal Jeremiah says and understand how God's hand is still at work on His eternal plan for mankind Split into two sections the book covers timely topics surrounding two important questions Is this the end of America and Is this the end of the world including detailed chapters on Terrorism in the world today ISIS and radicalized Islam The New Russia and its global impact The bleeding of America's borders and the immigration crisis Polarization and divisiveness politically and in our communities The anything goes society The coming of Christ and the end of the world No one can afford to ignore these warnings but all can better understand the greater story and the role we each play in this changing world From prophetic clues in Scripture to an understanding of the power of Christ in all believers this book directs us on a clear path forward Interested in learning more Check out other books by Dr David Jeremiah The Great Disappearance Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World The Book of Signs After the Rapture      **The Rise of the Global South**

Elijah Jong Fil Kim,2012-04-06 Global Christianity has been experiencing an unprecedented historical transition from the West to the non Western world The leadership of global Christianity has taken on a new face since the twentieth century Christendom in Europe and America has experienced a great decline while there has been a rise in Majority World Christianity Churches in the Global South have given their voices to global Christianity through their leadership world mission movements and theology The phenomenal church growth has risen from the Pentecostal and Charismatic movement Pentecostalism has become the dominant force in global Christianity today The Rise of the Global South examines the significance this shift has had on global Christianity by going through the history of Christianity in the West and the causes of the shift      **A Rebel Saint** Philip Hill,2022-05-26 Baptist Noel 1798 1873 has been described by the American Evangelical Anglican historian Grayson Carter as a towering figure in nineteenth century Evangelicalism but he has been written out of its story because he was a saintly rebel who counted a good conscience more valuable than a good standing This ultimately led him to abandon his glittering Anglican career and aristocratic family to become a Baptist minister A Rebel Saint is a comprehensive study of Noel's life work and thought correcting the neglect of his remarkable Anglican and Baptist ministries and his many years of prominence in Evangelical life Philip Hill ably illustrates his influence on issues including the Irvingite controversy the opposition to the Tractarian movement and Evangelical ecumenism and explains his centrality in the establishment of the Evangelical Alliance and the London City Mission Scholars of Evangelical history will greatly value this account of a pivotal figure while all will be inspired by his story of sacrifice of fame and fortune for the sake of obeying religious conscience      Evangelical Awakenings in Latin America James Edwin Orr,1978      **Friends** Ralph Moore,1997

is a book to help you remember your roots Trent Sheppard writes ordinary people like you and me bold and timid brilliant and insecure disillusioned and dangerous ambitious and naive holy and fallen fearless and afraid people who prayed people who conspired together with their friends in faith and action people who believed their lives could actually help shape the unfolding narrative of history From the establishment of early American campuses during the Great Awakening to the rapidly spreading collegiate movements of the twenty first century Sheppard shows how students can integrate their passion in prayer with practical Christ like living in culture The goal he explains is not for us to abandon our studies in economics or education and all become preachers instead The goal is to live like Jesus in the very soul of society     Journal of the Presbyterian Historical Society ,1983     *Revival* Richard Owen Roberts,1991-04     The Banner of Sovereign Grace Truth ,1998     **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004
