Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the
sixth grade but there is little available to young adults For them libraries become a place for work the place to research an
assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians
recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon
Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for
young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage
participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger
hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible
allowing any public or school library to adapt them to their particular needs *Am I Obligated to be Well-nourished?* Carol
