Campus Ministry:

Campus Ministry Donald G. Shockley, 1989-01-01 Campus Ministry is an earnest advocacy for recognizing and strengthening campus ministry as essential to the church's mission Donald Shockley presents a theology of campus mission based on the growing need for the church to reach beyond itself and to renew its mission in the college community which offers a unique opportunity and setting for the church to practice evangelism ministry and Christian education *Campus Ministry* Colleen Hallagan Preuninger, 2020-05-01 This resource written with the intention to support a new Lay Servant Ministries course will give readers a general understanding of the developmental needs of the 18 to 26 year old demographic in the United States general categories of institutions of higher learning basic structures for campus ministries and offices of spiritual and religious life on college or university campuses a framework to discern how United Methodist congregations may be called to serve students in their local context and tools to begin bridging the administrative structures at the institution of higher learning in question to gain appropriate access to students The approach of this text is fundamentally student centered and contextual placing the needs of students as the foundation of congregational discernment and institutional bridging to build and or support a student ministry The scope of this text is limited to higher education in the United States as models of higher education differ greatly in other regions of the world This text also primarily targets the 18 to 26 year old demographic recognizing that many students in the United States may fall outside this age range **College Ministry from Scratch** Chuck Bomar, 2010-09-07 Out from Under equipping kids for life out of the shelter of youth group This book dives into our youth ministries helping youth workers think intentionally about developing a ministry that is geared toward helping prepare kids for what's to come This begins by helping them intentionally think through what it is kids will be facing and then helping them think through preparation for those times This book dives into ministry philosophies that help or hinder this preparation **Empowering Campus Ministry** Catholic Church. The Campus Ministry United Presbyterian Church in the U.S.A. Department of Campus Christian Life,1959* **Disaffiliating Ministry** Gregory Baker,2019-08-23 This book explores the shifting role of the minister in light of the experiences of college men in the United States Young men frequently struggle to know what it means to be a man and doubt that churches can supply the meaning and direction for which they hunger These men are not necessarily lost but they do need a certain kind of spiritual accompaniment that is likely to push many ministers outside of postures and practices with which they have grown comfortable This interdisciplinary work draws together feminist and masculinist theories contemporary practices in campus ministry recent literature on religious deconversion and individual interviews with college men in order to argue for new ways amid the practice of ministry This work invites ministers to become more apophatic to grow comfortable with moving away from clarity and to adopt ungrasping postures of ministry that attend to the unfolding theology of the individual This repositions campus ministers to support young adults from a range of spiritual commitments Disaffiliating Ministry invites ministers to eliminate wasteful ministerial habits to explore new ministry practices and to enjoy the freedom of accompanying young men in processes of leaving behind attitudes and actions that cease to be life giving while deepening in faith courage and responsibility for others
