Contemporary Christologies Don Schweitzer, 2010-04-05 While many know of the signal contributions of such twentieth century giants as Paul Tillich or Karl Barth or Pierre Teilhard de Chardin the important work since their time often goes unremarked until some major controversy erupts Here is a smart and helpful survey of the chief approaches and thinkers in today's understanding of the person significance and work of Jesus Christ Schweitzer offers an insightful introduction to the contemporary context of Christology in which basic questions in the discipline and soteriology are being rethought in light of globalization postmodernity and the contemporary experience of evil **Recovering Protestantism's Original Insight** Paul E. Capetz, 2023-04-20 In this engaging volume Capetz argues that Protestants have largely ignored Luther's heritage when it comes to thinking about biblical authority and instead have followed Calvin's biblicism leading to many intellectual and moral problems in the face of a fully historical critical understanding of the Bible in our time After prefacing the book with a personal story that illustrates what is at stake in this question for the church's pastoral ministry he examines in detail the debate between Barth an heir of Calvin and Bultmann a Lutheran regarding Sachkritik or content criticism of Scripture since their debate serves to clarify the central issue facing Protestants today He then traces their debate back to the Reformation itself to show how the difference between Luther and Calvin presented Protestants from the outset with two conflicting models of biblical authority He then reflects on how this question of the proper understanding of biblical authority manifests itself in the debates over sexual ethics that have plagued mainline denominations for the past four decades And he concludes by arguing that Luther's heritage provides Protestants with a viable way to engage in a robust theological interpretation of the Bible that does not violate what historical criticism has taught us about it *An Undevotional* Jimmy R. Watson, 2019-04-30 In the same spirit as his previous book Big Jesus Watson takes us on a journey through the Gospel of Luke with a touch of humor and a wheelbarrow full of insights and information Watson believes

nothing is more pretentiously self pious than to write something and call it a devotional unless one has already been canonized as a saint An Undevotional is not a spoon fed offering of theological niceties but rather a head spinning array of possibilities into the mind and ministry of Jesus of Nazareth with contemporary applications At times irreverent at all times interesting this book is un dispensable for Jesus devotees and un devotees alike **The Good News of God** Charles Kingsley,1908 **The new Sunday school teachers' Biblical dictionary** John Fenwick Kitto,1879 *The Holy Bible Containing the Old and New Testaments* ,1912 Good news for young and old ,1873 **Herald of Gospel Liberty** Elias Smith,1909 Farmer's Advocate and Home Journal ,1920 *International Sunday School Evangel* ,1900 **The Dawn, a Church and home journal** ,1885 **The Churchman** ,1879 The Congregationalist ,1915 **Great Thoughts from Master Minds** ,1909 **The Gospel Trumpet** ,1914 **The Church School Journal** ,1882 Morning light [afterw.] The New-Church weekly ,1884 **Christian Nation** ,1927
