Can Cuba Survive? Fidel Castro, 1992 Foreign Policy Toward Cuba Michele Zebich-Knos, Heather Nora Nicol, 2005-01-01 *Foreign Policy Toward Cuba* is a timely exploration of the ways in which Cuba is understood in the Western Hemisphere The book examines the depth of disagreement between different foreign policy making communities and the potential impacts of diverse national approaches not just for Cuba but for the whole Caribbean region *Face to Face with Fidel Castro* Fidel Castro, Tomás Borge, 1993 The issues confronting a changing world are frankly discussed in this lively dialogue between two of Latin America's most controversial political figures In this wide ranging conversation Fidel Castro discusses the collapse of the Soviet Union an historical evaluation of Stalin the future of socialism the role of ideas in today's world Cuba's relations with the United States from Kennedy to Bush human rights in the Third World homosexuality literature and music *Face to face with Fidel Castro* is one of the most important political books to emerge from Latin America in the 1990s **The State, Bureaucracy, And The Cuban Schools** Sheryl L. Lutjens, 2019-05-29 In the mid 1980s Cuba began a process of rectificación a reform process that has bucked the trends of economic and political liberalization that are reshaping the global order Sustaining an official commitment to socialism in the face of economic crisis and international pressures Cuba's survival seems puzzling indeed Sheryl Lutjens uses the C Strategic Review, 1994 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States *Guantánamo* Roger Ricardo Luis, 1994 Having no official land border with any other country the island of Cuba still has a small piece of territory encircled by barbed wire extensive land mines and occupied by hostile troops under a foreign flag This occupied territory is the U S military base of Guantanamo This book by Cuban journalist Roger Ricardo provides a detailed history of the U S base from the beginning of the century to the present day Documenting alleged violations of Cuban territory originating from the Guantanamo base the author reveals that Cuba has cashed none of the annual rental payments made by Washington Guantanamo The bay of discord presents the arguments by both governments on the control and ownership of the base **Human Rights Violations in Castro's Cuba** United States. Congress. House. Committee on International Relations. Subcommittee on International Operations and Human Rights, 1996 Cuba David Stanley, 1997 With little information available for independent travelers visitors to Cuba have rarely been able to get beyond the well trod tourist trails to reach the heart of this unique and spectacular island Lonely Planet remedies that situation with this long awaited guide to the resorts off the beaten track destinations and everywhere in between of color photos 50 detailed maps **Masters of War** Clara Nieto, 2011-01-04 In *Masters of War* Clara Nieto adeptly presents the parallel histories of the countries of Latin America histories that are intertwined each reflecting the United States coherent policy of intervention set into motion by the Monroe Doctrine As the value of this continued policy comes increasingly into question Nieto argues for the need to evaluate the alarming precedent set in Latin America the institution of client

dictatorships the roles played by the interests of U S corporations the enormous tolls taken on civilian populations and the irreversible disruption of regional stability Drawing from an impressive array of documents and sources as well as from her unique first hand insights as a participant in crucial meetings and negotiations in the region from the mid 1960s through the mid 1980s Nieto chronicles the Cuban Revolution the CIA sponsored coup against popularly elected President Allende in Chile the U S invasions of Panama and Grenada U S support for the cultivation and training of paramilitary death squads in Nicaragua El Salvador and Colombia as well as similarly severe but less well known situations in other countries such as Uruguay Venezuela Argentina Peru Bolivia Honduras and Guatemala Masters of War offers from an informed perspective perhaps for the first time a distanced objective analysis of recent Latin American history Clara Nieto s depth of knowledge and understanding is an invaluable resource at a time when the media is seen as unapologetically aligned with the interests of major corporations and policymakers and the American public has reached a new height of apprehension regarding the intentions behind and consequences of its government s policies *Cuba Was Different* Even Sandvik Underlid,2021-03-01 In *Cuba Was Different* Even Sandvik Underlid explores the views of Cuban authorities official press and Party members as they reflect back on the collapse of Soviet and Eastern European socialism In so doing he contributes to a better understanding as to why the Cuban system often associated with Fidel Castro s leadership did not itself collapse Despite the loss of its most important allies key ideological referents and even most of its foreign trade Cuba did not embrace capitalism The author critically examines and analyzes the collapse of the USSR and Eastern Europe as reported in the Cuban Communist Party newspaper Granma both as they unfolded and subsequently through the lens of additional interviews with individual Party members This focus on Cuba s Communist Party provides new perspectives on how these events were seen from Cuba and on the notable resilience of many party members **Cuba Annual Report: 1989** Voice of America-Radio Marti Program,Office of Research and Policy,United States Information Agency,1992-01-01 **Baraguá** ,1992
