Can We Know God

Jeremiah Lewis Diman

Can We Know God:

God, as We Know Him and Shall Know Him E.W Ettah,2015-12-29 This book is here to awaken direct and redirect the innate desire in every human being to know the true God Many people including believing Christians do not know God as He is but lower Him to the level of one who exists to meet their needs Others perceive God as existing to punish bad people and reward the good Still others disregard God entirely and prohibit Him from being part of their day to day life But how is God really like in nature character and dealing with us How does God want us to know Him What is left to know about God Is God relevant in our modern livelihood In this book the author traces out the quality and quantity of Gods self revelation to humanity through His Word Nature and His dealings with us all The author has summarised and contextualised many in depth revelations It is the authors hope that by reading this book you will be empowered and drawn closer to your heavenly Father who loves you *Your Right to Know God* Emmanuel W. Ettah,2014-12-04 This book underscores the natural right of all humans to know God Today we are told that God is irrelevant to our livelihood and we do not need God for anything This deception emanates from our lack of understanding of and about God In this book you will find insight into Who God really is How and why it is your right to know God The benefits of knowing God for the individual nation and the Christian How Science tells us more about God How you can know God on a personal level and the stages of knowing God How you can discover yourself in God and the blessed privileges we all have in Christ Jesus And many more Usually our understanding of God is too human and we end up misunderstanding Him and subsequently missing out on knowing Him This book is here to help you understand and know the true God who made you **The God You Can Know** Dan DeHaan,2001-01-01 Questions concerning various topics such as knowing God s will assurance of salvation home life and even dating relationships result from a lack in comprehending the Person of God the Father Dan DeHaan puts God the Father back into the Christian perspective of what it means to live this way of life called Christianity in *The God You Can Know* Burdened by contemporary Christians lack of understanding of the nature of Almighty God he wrote this book to help readers become intimate with God by studying His characters and attributes How to Know God's Will Watchman Nee,1998-02 **Know God More** Anne Laidlaw,2009 *Know God More* looks at 44 characteristics of God from a scriptural and personal perspective and then relates this to practical living *Can We Know God?* Maurice Roberts,2006 This world is divided into two groups those who know God and those who do not Though there are many other differences between people this is the greatest To be ignorant of God has a profound influence on the way we think work and live our entire life more still on the way we die and what will happen to us after death *Presbyterian Questions, Presbyterian Answers, Revised edition* Donald K. McKim,2017-09-20 Presbyterians often have questions about Presbyterian theology and beliefs that are basic to Christian faith itself Featuring a unique question and answer format *Presbyterian Questions Presbyterian Answers* is an accessible and concise treatment that provides a sampling of these questions on important topics and brief but complete answers from a distinguished Presbyterian

theologian Fully updated for the changes to the Presbyterian new Form of Government this revised edition also includes updated entries and six new questions and answers Arranged according to doctrinal topics the book is ideal for individual and group study church officer training new member and confirmation classes and all those who are interested in Presbyterian theology

To Know God Anthony DAugustine,2020-05-14 Does God exist Can we know God These questions are but two of many that represent the mysteries of life The greatest minds in the fields of philosophy theology and science have wrestled with these questions over the millennia looking for definitive answers Their responses to these two questions have been profound and persuasive Yet in spite of the proofs presented doubt continues to exist In the end as the saying goes It all comes down to faith It always does and always will In full recognition of that fact To Know God is a journey of faith It is an apologetic that seeks knowledge of God first through love then through revelation and reason to offer proof beyond reasonable doubt that God does exist and as far as humanly possible is knowable It looks to areas where Divine manifestations metaphysics and the laws of science find common ground It is through this unification of spiritual enlightenment and transcendence with science that the existence of God becomes apparent What is more the common underpinnings of this union help us as far as our limited capacities will take us to understand the substance and essence of God In other words take us to a point where we can begin To Know God

The Path to Knowing God Derek Prince,2024-12-17 Can We Really Know God Renowned international Bible teacher Derek Prince affirms that we can know God and that there is a clear path to doing so He unfolds from Scripture what it means to know God intimately become united with Him in His purposes and commit ourselves to living for Him fully Prince explains our need to know the Lord personally and experientially so that we can have true life with Him and then understand the plans God has for us He says there is a calling for every believer a special way of life a special task a special responsibility This book describes the various steps to knowing God and having a close relationship with Him while revealing what proceeds from that relationship We experience real strength and stability only from knowing our heavenly Father As we earnestly seek Him His wisdom and His ways above all else we will increasingly come to understand His mind and heart Those whom Christ has redeemed are God s own special people and He has made us a kingdom of priests to help bring the peaceful rule of His kingdom to individuals and nations The dark forces of the enemy are encroaching on the world in many ways blinding people to their true purpose and enslaving them in empty pursuits God calls us to take part through intercession and sharing the gospel message in bringing them His light and setting them free so that they too can enter into a close relationship with God and live wholeheartedly for Him
