speaking but us listening Through biblical teaching and experience you ll receive guidance in hearing and connecting with God If you love tools like the Enneagram join the thousands who have already gained a deeper understanding of themselves and others through learning their unique prophetic personality *Spirit-Filled Truth* Joshua Shaw,2015-04-20 For many of Christians no matter how many church services we attend podcasts we listen to or conferences we sign up for we often feel a deep sense of emptiness or void in our relationships with Jesus Feelings of being orphaned by God divorced from His family and enslaved to our sins consume our hearts We do everything we can to try and fill our spiritual emptiness but nothing seems to change Despite our best efforts to apply what we are learning from our daily Bible readings and church s weekly sermons what we know in theory rarely becomes what we encounter on a day to day basis Because of this our relationships with Jesus are in desperate need of rejuvenation In John 16 13 Jesus says When the Spirit of Truth comes he will guide you into all truth Within this passage Jesus teaches his followers that it is by the guiding work of the Holy Spirit that we will encounter the truths of God s Word that brings us life The Spirit will be the active agent in guiding our hearts to God s loving truths for our lives Therefore Spirit Filled Truth speaks to the longing many Christians have to encounter God s truths for themselves and how His presence alone can satisfy their deepest needs by means of Unveiling who the Spirit of Truth is and our need for His guidance in our lives Illustrating how to walk in our identity as adopted children of God Revealing how to actively be a part of God s family Displaying how to be used as effective ambassadors for His Kingdom **No Shortcut to Success** Matt Rhodes,2021-12-28 Avoid Get Rich Quick Missions Strategies and Invest in Effective Long Term Ministry Trendy new missions strategies are a dime a dozen promising missionaries monumental results in record time These strategies report explosive movements of people turning to Christ but their claims are often dubious and they do little to ensure the health of believers or churches that remain How can churches and missionaries address the urgent need to reach unreached people without falling for quick fixes In *No Shortcut to Success* author and missionary Matt Rhodes implores Christians to stop chasing silver bullet strategies and short term missions and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship the same ones used by historic figures such as William Carey and Adoniram Judson These great missionaries didn t rush evangelism they spent time studying Scripture mastering foreign languages and building long term relationships Rhodes explains that modern missionaries emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help He also warns against underestimating the value of individual skill and effort under the guise of getting out of the Lord s way and empowers Christians with practical biblical steps to proactively engage unreached groups Biblical Ministry Advice Examines the work of respected missionaries throughout history Encourages Professionalism in Missions Rhodes teaches missionaries to invest in theological education communication and technical skills A Great Resource for Ministries Includes specific advice for singles parents and other groups Insightful Examines strengths and weaknesses of recent missionary movements
