Can America Survive:

Can America Survive? Ben Stein, Benjamin Stein, Phil DeMuth, 2004 Ben Stein and Phil DeMuth examine anti American anger not from other countries but the homegrown anti Americanism to the left of the political spectrum They present a clear portrait of what is wrong with the national mood and offer a way to fight back The book explores the psychology behind national self loathing which the authors say is flourishing on university campuses and in Democratic candidate debates and liberal fundraisers *Can America Survive* presents a unique approach that attempts to explain political beliefs in terms of psychology

Can America Survive? John Hagee, 2010-06-29 This paperback version of Pastor John Hagee s newest book has ripped from the headlines updates New material has been added regarding the death of the dollar a nuclear Iran and the rejection of Israel Further this New York Times best selling author says the United States is heading into a Perfect Storm Titanic John F Kennedy s assassination 9 11 John Hagee maintains that these American tragedies all have one element in common they were unthinkable And in the opening pages of his newest book *Can America Survive* Hagee uses these tragedies to prove two points that the unthinkable can happen and given the right conditions the unthinkable can quickly become the inevitable In *Can America Survive* Hagee asserts that the seeds for tragedy are once again being sown evidenced by the disturbing economic geopolitical and religious trends that now threaten to dismantle the very nation itself Think it can t happen Hagee asks in a theme repeated throughout the book Think again Indeed Hagee presents alarming examples of recent events current research scientific evidence and biblical prophecy that are gathering to create a perfect storm that could bring down the unsinkable United States of America including The U S s negligent handling of Israel and history s evidence of the danger to any nation that challenges Israel s God mandated right to exist The dangerous belittling of Iran s nuclear threat by careless spy agencies and the super weapon that could stop the U S in its tracks instantly The chilling biblical prophecy that confirms Iran as one of six countries that will form an Islamic military force as a cloud to cover the land The real 2 5 trillion price tag of healthcare reform the international currency shifts and the national economic trends that are poised to bring about the death of the American dollar The criminalization of Christianity around the world *Can America Survive* is not just a warning It is a wake up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster After all as Hagee points out those who do not remember the mistakes of the past are doomed to repeat them in the future Think it can t happen Think again

Can American Democracy Survive Cold War? Harry Howe Ransom, 1963 *Common Sense for a Broken Serpent and These States United* Jonathan Schaffer, 2024-03-21 America was conceived with fundamental beliefs with God at the core By allowing the wicked lunacy to run wild we lose the ability to use common sense in society As depicted by Benjamin Franklin in 1754 in his Join or Die cartoon we must be united if we are to survive as a nation This broken serpent will surely perish if we do not start using common sense Join me as I dissect this serpent into several major subjects and share my life stories and observations that could benefit you as an

individual and our beloved country as a whole The disappearance of God family and morals from our daily lives are having drastic effects on the evolution of the human race Has society gone so astray that we cannot recover Will America deteriorate and become another socialist regime Or can America overcome this peril and rise again to be the great nation it was born to be
