Can I Believe Christianity:

Can I Believe Christianity? Kenneth N. Taylor, 1987-03-01 Thousands of students come to college taking for granted the existence of God and the supernatural but many come to feel that there is no basis for such belief Others come with a positive faith and graduate with their faith either blasted or divorced from reason This change of attitude toward the things of God results from an attitude which is to be found in many university classes The opinion of an authority the professor is accepted as evidence without investigating his credentials the facts which led to his conclusions and the basic assumptions which colored his interpretation of the facts Consequently a student may accept his professor's conclusions just as he previously accepted the Christian position without a thorough understanding of it Ken Taylor writes this booklet to show university students and others that anti-supernatural claims are based on assumptions not on evidence that the Christian faith is reasonable and that the claims of Christianity are too well substantiated to be ignored *Can I Believe?* John G. Stackhouse Jr., 2020-08-21 Maybe Christianity is actually true Maybe it is what believers say it is But at least two problems make the thoughtful person hesitate First there are so many other options How could one possibly make one's way through them to anything like a rational and confident conclusion Second why do so many people choose to be Christian in the face of so many reasons not to be Christian Yes many people grow up in Christian homes and in societies but many more do not Yet Christianity has become the most popular religion in the world Why This book begins by taking on the initial challenge as it outlines a process how to think about religion in a responsible way rather than settling for such soft vagaries as faith and feeling It then clears away a number of misunderstandings from the basic story of the Christian religion misunderstandings that combine to domesticate this startling narrative and thus to repel reasonable people who might otherwise be intrigued The second half of the book then looks at Christian commitment positively and negatively Why do two billion find this religion to be persuasive thus making it the most popular explanation of everything in human history At the same time how does Christianity respond to the fact that so many people find it utterly implausible especially because so many Christians insist that theirs is the only way to God and because of the problem of evil that seems to undercut everything Christianity asserts Grounded in scholarship but never ponderous *Can I Believe* refuses to dodge the hard questions as it welcomes the intelligent inquirer to give Christianity at least one good look *What's the Least I Can Believe and Still be a Christian?* Martin Thielen, 2011-01-01 A national worship and preaching consultant offers a provocative look at the core elements of Christian faith articulating centrist mainline Christianity in a way that is fresh and easy to understand Original **What's the Least I Can Believe and Still be a Christian?** Martin Thielen, 2013-01-01 Pastor and author Martin Thielen has compiled a list of ten things people need to believe and ten things they don't in order to be a Christian This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with With an accessible storytelling style that's grounded in solid biblical scholarship Thielen

shows how Christians don't need to believe that sinners will be left behind to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus, his life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist mainline Christianity in a way that's fresh and easy to understand and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide previously only available online and a new introduction from the author that reflects on the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week congregation-wide initiative that will help local churches reach out to their communities. Taylor, 2005-01-01 Ken Taylor answers arguments often used to disprove Christianity **Can We Believe It?** George Arthur Frederick Seber, 2016-03-21 Many people today believe that Christianity will not stand up to a scientific or intellectual investigation and that science has all the answers. Such an attitude shows an ignorance of the wealth of available philosophical arguments and scientific information that Dr. Seber taps into in this book. Initially, he shows that mathematics and science are limited in what they can prove in spite of modern advances. He then summarizes his material using basic questions as ten chapter headings: Does God exist? Is there a spiritual dimension? Do we have free will? Is the Bible reliable? Who is Jesus? Do miracles occur? Why does God allow suffering and evil? Is Christianity a blessing or a curse to society? What about evolution and how can we get to know God? The reader may have other questions, and a number are considered within each chapter, such as problems with philosophical materialism and atheism. He draws his material from many sources, including statistics, physics, cosmology, genetics, philosophy, history, biochemistry, theology, psychology, archaeology, and biology. Comparatively new subjects like epigenetics, chaos theory, and quantum mechanics that many people are not aware of are brought into the picture. These topics change our thinking about reality. **Can We Still Believe in God?** Craig L. Blomberg, 2020-06-16 People regularly give certain reasons for not believing in God, but they are much less aware of what the New Testament actually teaches. Although challenges to Christianity are perennial and have frequently been addressed, they are noticeably more common today and are currently of particular interest among evangelicals. Skeptics of Christianity often ask highly regarded biblical scholar and popular speaker Craig Blomberg how he can believe in a faith that seems so problematic. How can God allow evil and suffering? Isn't the Bible anti-women, anti-gay, and pro-slavery? Isn't the New Testament riddled with contradictions? What about the nature of hell, violence in Scripture, and prayer and predestination? Following the author's successful *Can We Still Believe the Bible*, this succinct and readable book focuses on what the New Testament teaches about 10 key reasons people give for not believing in God. **Can We Believe Them?** Charles

Whitney,2019-04-23 Have you ever doubted the certainty of your salvation If worries about your salvation ever disturb your peace turn to this book for refreshing clarity and confidence in the God who guides your steps Bestselling author Don Whitney carefully walks readers through the Bible s teaching on salvation and eternal life in this well researched guide by addressing issues such as Is assurance of salvation possible Is it normal to have doubts about salvation Signs of a genuine believer The basis of assurance Common problems that erode our certainty And more Insightful and encouraging this book will calm your spirit and point solidly to our living hope Jesus Christ Now updated with questions for personal study or group discussion that will help you dive deeper Every book Don Whitney writes is worth the cover price How Can I Be Sure I m a Christian is doubly so Christians struggling with assurance of their salvation should buy and read this book Pastors should buy a box of them to give to doubting church members Jason K Allen president of Midwestern Baptist Theological Seminary If you have questions about your assurance or even somebody else s you should read this book Dr Whitney s illustrations are superb and his borrowings from the great theologians of the past are wise stimulating and well chosen I commend his work highly James M Boice author of Foundations of the Christian Faith **How Can We Believe?** Robert James Dean,1978 *What We Believe and Why* George Byron Koch,2012-01 An insightful accessible plain spoken and a little bit feisty look at the Christian faith from its Jewish roots to its future hope beyond denominational struggles and doctrinal war For individuals small groups and congregations seeking deeper knowledge of the faith and greater maturity in Christ Includes an exhaustive Glossary Plus of Christian and Jewish terms an extensive Bibliography a detailed Index and a little Humor in the back The Christian faith the basics and much more In this sweeping and careful account of the essentials and non essentials of the faith Dr George Koch lays out the foundation of what Christians believe why they believe it and how the Bible calls them to live with each other and the world This begins with understanding being saved through learning to live and love like Jesus it s hard and the content of eternal life with Him The profound Jewish roots of the faith are revealed and explained along with the deep meaning of the Hebrew and Greek behind the words of the Old and New Testaments The true purpose of prayer is explored in some surprising ways across denominations and history Then the nature of God s love is looked at with its ability to burst open prisons of the heart and mind And obedience What does God expect from us and how can we fulfill it Next is covenant the very way of God with Abraham Moses Jesus and us like a marriage intimate caring protected Then on through issues of the Holy Spirit peace mercy heresy it s probably not what you think the Trinity and Bible authority Koch then examines how competing religious concepts arose in the Church and how these are often used against the explicit commands of Jesus to drive apart believers He sets forth several specific and biblical steps that opposing Christian groups and individuals can take to begin to embody the unity that Jesus desired of His followers to find true reconciliation with God and with each other The journey of this book is a challenging one but can help Christians learn to

refocus on the love of God neighbor and enemy that Jesus taught rather than differences over concepts about God and the Church The true purpose of the Christian life is not merely to know more about God but to know God more About the author The Reverend Doctor George Byron Koch pronounced coke is Pastor and teacher at Resurrection Anglican Church in West Chicago Illinois USA though this book is intentionally neither Anglican nor denominational in content He is also a former Senior Vice President of Oracle Corporation author of a best selling book on database design Oracle The Complete Reference another book on Christian discipleship and small groups The Country Parson s Advice to His Parishioners brought into modern English from an anonymous 1680 text and numerous articles in magazines and newspapers ranging from The Wall Street Journal to Christianity Today His first degree is in Physics and science is an ongoing a field of interest for him His doctoral studies focused on healing and reconciliation and he continues to teach on these subjects **But that I Can't Believe!** John Arthur Thomas Robinson,1967 **The Reason why** Ernest Emory Russell,1896 Evidences of Christianity Mark Hopkins,1909 Christ's Christianity (How I came to believe, What I believe, The spirit of Christ's teaching) tr. from the Russian Lev Nikolaevich Tolstoi (count.),1885 **Simple Faith** Bo Lange,2011-12-16 Man shares his Faith in book A simpler approach to the Bible January 2 2012 By Jason Raiche jraiche dailypress net Daily Press ESCANABA Escanaba resident and Swedish native Bo Lange has recently released a book on Christian faith now available online The book called Simple Faith touches on Biblical Christianity in the culture of religions and secularism as noted in the book s subtitle and stemmed from a book Lange wrote in his native Sweden Simple Faith offers a look at Christian faith as represented solely in the Bible according to an overview of the book on publishing company WestBow Press website Lange said Simple Faith is essentially about having confidence the Bible is God s word as he is concerned with secularism and religion dominating our culture which has led him to reintroduce the Bible to readers The book breaks down arguments about Christianity to the most basic yet powerful aspects of the Christian faith according to the overview I have the preconceived idea that the Bible really is the word of God which means you can still trust it explained Lange adding if the Bible truly is God s word and it is the revealed word of God to man that makes it no ordinary book He said the word simple helps define the concept behind faith and also represents his own mind I have a simple mind said Lange Some people especially those who are more sophisticated they have a hard time with me because I m so simple So I decided to write the book about simple faith by a simple mind By simple Lange does not mean simple in the way of easy believism where if you believe then you re a Christian but simple as in the concept of faith itself First of all one of the chapters has to do with How does a person reconcile with God or how is a person like they usually say saved said Lange And I say it s only by faith Very simple He said Simple Faith is based on an earlier book he wrote in the Swedish language about the Christian faith in the Swedish philosophical world which was called The Dividing Line and discusses the dividing line between religion and Christian faith Simple Faith which he finished writing this last year essentially evolved from The Dividing Line he said Coming from a secularist society and

humanistic parents I have gone through all these issues he explained You wonder how in the world did you come up with an idea like that if you grew up in a very liberal progressive country And I still believe it so that s why I decided I m going to write it and say You can still believe this Lange said the book is for those seeking to figure out whether they can believe the Bible for those who have just become Christians for those long time Christians as a reminder they can still believe the Bible and for sophistic philosophers such as priests or pastors who have gone away from this message The process for getting the book published this time was different from what he did on his first two books in Sweden he said The two first ones I wrote in Sweden I went to the printer and said This is what I want you to print said Lange So this time I did a lot of web searching and I found this WestBow Press which I had heard a little bit about before And they do all the publishing WestBow is a Christian book company with all books published having Christian messages said Lange Though he had a friend from Marquette edit the book he said WestBow has cut out a lot of the work he had to do from the first two times he was published The second book in Sweden I printed 1 000 copies and I had to distribute them and it was so hard so they WestBow do the distribution on Amazon com and Barnes and Noble and it s an eBook He said the company will print the book according to needs and keeps 50 percent of proceeds from each book which costs 9 95 Lange will be requesting 100 copies from the company and the book will be sold locally at Canterbury Bookstore he said There will also be a book signing coming up at Stones Cafe when copies of the books arrive in approximately two to three weeks Lange comes from an Evangelical Covenant Church background and said he has been a confessing Christian since his childhood He also has served 38 years as a pastor serving both denomination and non denomination congregations Currently he resides in Escanaba with his wife Diana and has recorded Scandinavian music on both cassettes and CDs He has also helped organize area Scandinavian festivals teaches Swedish classes at the University of Wisconsin in Marinette and also teaches Swedish online For more information on Simple Faith search for the it online at westbowpress com

Can I Believe Christianity Introduction

In today's digital age, the availability of Can I Believe Christianity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Can I Believe Christianity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Can I Believe Christianity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Can I Believe Christianity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Can I Believe Christianity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Can I Believe Christianity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Can I

Believe Christianity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Can I Believe Christianity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Can I Believe Christianity books and manuals for download and embark on your journey of knowledge?
