Can we see God yes, we can Tulsi Gaj,2024-10-29 My goal in creating this book is to support those people who aspire to learn the truth about the true nature of the universe s God the soul and the mind knowing about your existence before birth the present and after death Where did we come from why are we here on earth why must we die and where will we go hereafter and more interested answers about yourself HOW WE SEE GOD AND WHY IT MATTERS Robert J.

Landy,2001-01-01 This is a book about seeing the ultimate mystery as represented by the figure of God It is not about religion per se although it makes reference to many of the great religious traditions of the world and their gods Rather it is about the presence of the spiritual world and its inhabitants The author s aim is to attempt to answer the question How do we see God through engaging with the images created by a group of children from a number of different cultures and spiritual backgrounds Through a two year period the author travelled the world interviewing more than 500 children asking them to draw a picture of God to act and speak as God and to tell a story about God This text is a documentation of that journey into the lives and spiritual beliefs of children Throughout the book a broad selection of pictures and stories by the children is reproduced and paraphrased The author offers his own commentaries not as an analyst in a psychological sense or critic in a literary one but as a God seeker trusting in the power of the image to reveal meaning This unique book will be of primary interest to professionals in the field of psychology especially child and family therapists as well as art and drama therapy sociology and theology The book will also have appeal to parents and children who are looking for ways to understand their belief systems in relationship to others They Shall See God H. Allen Hanson,2010-05 Jesus said Blessed

are the pure in heart for they shall see God Matthew 5 8 The Bible progressively reveals a glorious description of God the Father beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation The author has done massive research showing that the Bible is full of descriptions of the glory of God This is a unique book one of kind about the visual glory of God It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor It is true that no man has seen God because He has hidden him Himself for several reasons Man would die if he saw Him Man would make an idol of Him God desires that man have faith in an unseen God Many theologians maintain that God cannot be seen that He has no face or form because He is spirit invisible and omnipresent The book addresses these concepts Jesus however said that He has seen God and that angels see His face This book should be in the shelves of every seminary Bible school minister s study and in the hand of every person as a help in Bible study or in seeking to know more about God May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father *Questions and Answers* ,1900 **The works of ...
