*Canada 1892* Peter Charles Newman,1992      **The Secret Mulroney Tapes** Peter C. Newman,2011-05-18 The Secret Mulroney Tapes is an outrageous and intimate portrait of a Canadian prime minister as told in his own words There has never been a political book like this and there will almost certainly never be another Peter C Newman the author of books about John Diefenbaker Lester B Pearson and Pierre Elliott Trudeau as well as 2004 s number one bestselling memoir Here Be Dragons Telling Tales of People Passion and Power has done it again He has written twenty two books that have sold two million copies and earned him the title of Canada s most cussed and discussed political commentator Here his no holds barred profile of Canada s most controversial and most reviled prime minister breaks new ground Compiled from years of candid taped conversations with Mulroney and the people closest to him while he was in power the sometimes uproarious and often disturbing interviews 7 400 pages of transcripts totalling 1 8 million words have been sealed until now Stunningly indiscreet and savagely frank Mulroney is the first prime minister to be so nakedly outspoken Yet he is also revealed as a witty Irish charmer ready with a quick line to raise a laugh no matter how impudent or profane a man as warm in private as he was defensive in the public eye Mulroney names the names and spills the beans about what really goes on in Ottawa which he describes as a sick city that runs on goddamned incest They re all married to one another They re shackled up with one another Their wives are on the payroll of the CBC It s just awful Lucien Bouchard his one time soulmate he calls bitter and profane and extraordinarily vain He writes off his constitutional foe former Newfoundland premier Clyde Wells as an unprincipled son of a bitch His disgust for the press is as monumental as his sense of being misunderstood and in his eyes the Ottawa press corps are a phony bunch of bastards who don t give him credit even when the world applauds him for being one of the three men who played the most important role in the collapse of the Berlin Wall Out of The Secret Mulroney Tapes emerges a startling picture of the politician whose reign shocked and appalled and yet also revolutionized this country No other prime minister in Canadian history aroused a stronger emotional response than Brian Mulroney This book provides Canadians with a unique insight into the bold politician who changed their country like no other      [Canada-1892](#) Peter Charles Newman,1992 Copy 1 English      [Canadian Books in Print.
