Canadas Age Of Industry 1849 1896:

Historical Atlas of Canada: The land transformed, 1800-1891 Geoffrey J. Matthews, Don Measner, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century **Canada in the European Age, 1453-1919, New Edition** R.T. Naylor, 2011-05-01 As Bruce Trigger explains in his preface Canada in the European Age 1453 1919 was the first history in which native peoples appeared as genuine actors in human dramas mainly tragedies instead of as part of the flora and fauna in the background By stressing the interconnections between the grand events of the conquest and subjugation of the globe by European empire builders and the less dramatic events in Canada Naylor s book led to a fundamental reinterpretation of Canadian social economic and political history **The Colonization of Mi'kmaw Memory and History, 1794-1928** William C. Wicken, 2012-06-15 In 1927 Gabriel Sylliboy the Grand Chief of the Mi kmaw of Atlantic Canada was charged with trapping muskrats out of season At appeal in July 1928 Sylliboy and five other men recalled conversations with parents grandparents and community members to explain how they understood a treaty their people had signed with the British in 1752 Using this testimony as a starting point William Wicken traces Mi kmaw memories of the treaty arguing that as colonization altered Mi kmaw society community interpretations of the treaty changed as well The Sylliboy case was part of a broader debate within Canada about Aboriginal peoples legal status within Confederation In using the 1752 treaty to try and establish a legal identity separate from that of other Nova Scotians Mi kmaw leaders contested federal and provincial attempts to force their assimilation into Anglo Canadian society Integrating matters of governance and legality with an exploration of historical memory The Colonization of Mi kmaw Memory and History offers a nuanced understanding of how and why individuals and communities recall the past The Feminist Challenge to the Canadian Left, 1900-1918 Janice Newton, 1995 The resurgence of feminism in the early 1970 s created shock waves across Canadian society that can be felt to this day One of its results was a growing interest in women s history which initially focused on the struggle of women around the turn of the century to gain the right to vote *Concise Historical Atlas of Canada* Geoffrey J. Matthews, Conrad Heidenreich, Byron Moldofsky, Thomas F. McIlwraith, John Warkentin, 1998-01-01 A distillation of sixty seven of the best and most important plates from the original three volumes of the bestselling of the Historical Atlas of Canada Petticoats and Prejudice - Women's Press Classics Constance Backhouse, 2015-02-01 Drawing on historical records of women s varying experiences as litigants accused criminals or witnesses this book offers critical insight into women s legal status in nineteenth century Canada In an effort to recover the social and political conditions under which women lobbied rebelled and in some cases influenced change Petticoats and Prejudice weaves together forgotten stories of achievement and defeat in the Canadian legal system Expanding the concept of heroism beyond its traditional limitations this text gives life to some of Canada s lost heroines Euphemia Rabbitt who resisted an attempted rape and Clara Brett Martin who valiantly secured entry into the all male legal profession were

admired by their contemporaries for their successful pursuits of justice But Ellen Rogers a prostitute who believed all women should be legally protected against sexual assault and Nellie Armstrong a battered wife and mother who sought child custody were ostracized for their ideas and demands Well aware of the limitations placed upon women advocating for reform in a patriarchal legal system Constance Backhouse recreates vivid and textured snapshots of these and other women s courageous struggles against gender discrimination and oppression Employing social history to illuminate the reproductive sexual racial and occupational inequalities that continue to shape women s encounters with the law *Petticoats and Prejudice* is an essential entry point into the gendered treatment of feminized bodies in Canadian legal institutions This book was co published with The Osgoode Society for Canadian Legal History **The Shady Side of Fifty** Lisa Dillon,2008-03-19 A breakthrough study of age and old age in North America both as a concept and as lived experience Canada's age of industry, eighteen hundred and forty-nine to 1896 Canada's age of industry, 1849-1896 Terence Kealey,1982 **The Consolidation of Capitalism, 1896-1929** Michael S. Cross,Gregory S. Kealey,1983 *Readings in Canadian social history* Michael Cross,Greg Kealey,1982 **Canada's Age of Industry, 1849-1896** Michael S. Cross,Gregory S. Kealey,1982
