The Canadian Encyclopedia James H. Marsh, 1999

This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's

finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *The Canadian Magazine* ,1894 **Birds of Canada** Tyler L. Hoar,Ken De De Smet,Wayne Campbell,2010 Canada is home to nearly 500 species of birds from the Great Lakes and Great Plains to the forests of the Ontario and the far north Arctic Ocean This comprehensive guides is essential for for birdwatchers residing in or planning a trip to Canada **The Canadian Field-naturalist** ,1920 Some Canadian Birds Montague Chamberlain,2025-05-22 Some Canadian Birds Volume 1 by Montague Chamberlain offers a brief yet informative account of the common birds found in Eastern Canada This classic work provides descriptions of various bird species detailing their physical characteristics habitats and behaviors Birdwatchers and nature enthusiasts will appreciate Chamberlain s accessible prose and wealth of knowledge making this book an enduring resource for identifying and understanding the avian inhabitants of the region This volume serves as an excellent introduction to the diverse birdlife of Eastern Canada appealing to both amateur and experienced ornithologists It provides a valuable glimpse into the natural history of the region and a timeless celebration of its feathered inhabitants This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Illustrated Canadian Forest and Outdoors ,1927 **Catalogue of the Canadian birds** John Macoun,1916 *Canadian Poultry Journal* ,1926 Illustrated Canadian Forest and Outdoors ,1917 *Canadian Birds* Bruce Obee,1993 The Canadian Naturalist and Quarterly Journal of Science Elkanah Billings,Bernard James Harrington,James Thomas Donald,1870 Birds of Canada John Gooders,Maurice Pledger,Trevor Boyer,1984
