Canadian Don Quixote:

The Canadian Don Quixote David R. Beasley, 2004 Richardson 1796 1852 born in Newark Upper Canada and dying in New York City laid the foundations of Canadian literature The author of *Wacousta* and *The Canadian Brothers* had an adventurous energetic life as this standard biography so well reveals Beasley's whole work teems with such careful loving research and this makes his biography of Richardson not only a good read but the fulfillment of what's usually called an aching void James Reaney poet and playwright whose life was so filled with dramatic events whose career brought him in contact with important historical figures and episodes and who first showed that Canadian history was interesting enough to be matter for literature George Woodcock *The Globe and Mail* *The Canadian Don Quixote* David Beasley, 2014-08-21 The Return of a classic What reviewers said of the 1st edition a nice combination of Canadian history romantic biography and literary research the book is not only a good read but includes a bibliography index and other material Actually it is a r

Canadian Shorthorn Herd Book Canadian Shorthorn Association, 1889 Canadian Bookman, 1924 **The Ballets of Ludwig Minkus** Robert Ignatius Letellier, 2008-10-01 The composer Ludwig Minkus represents one of music's biggest mysteries Who was he Hardly anything is known about him and yet he occupied an influential position in the theatres of the Imperial ballet in late nineteenth century Russia He has been recognised as a predecessor of Tchaikovsky but as a musician is commonly held to have been so feeble as to be beneath contempt Yet despite the scorn heaped on him and his consequent obscurity Minkus is far from being forgotten Since the early 1960s his name has slowly begun to re surface Two works *Don Quixote* 1869 and *La Bayadere* 1877 have been presented in their entirety for the first time to new audiences all over the world The musical and dramatic power of both ballets has taken people by surprise The stories have a very real human appeal the choreography attracts the admiration of balletomanes and the music with its rhythm verve and beauty of melody holds attention and engages the heart wherever it is heard This introduction seeks to discover something more behind the blank facade of Minkus's life and work What do we actually know about him as a man and as an artist Are we able to apprehend his oeuvre as a whole and how much can we establish from the available material What is the nature of the music he created for those few works that have survived the years and that have come to the fore again recently to delight those who have ears to hear This study includes iconography from the life and times of the composer many musical examples from his works and a comprehensive bibliography and discography The Borders of Nightmare Michael Hurley, 1992-12-15 John Richardson was Canada's first native born poet novelist and The Father of Canadian Literature Michael Hurley offers the first detailed account of Richardson's fiction rather than of his life or sociological importance Hurley makes a convincing case for Richardson as an important early cartographer of the Canadian imagination and the originator of Southern Ontario Gothic He explores Richardson's influence on James Reaney Alice Munro Robertson Davies Christopher Dewdney Frank Davey and Marian Engel Arguing that *Wacousta* and *The Canadian Brothers* hold central places in our literature Hurley shows how

these two works established a set of boundaries that our national literary discourse has largely kept hidden Focusing on the protean concept of the border in the fiction of this man from the periphery *The Borders of Nightmare* underlines the importance of boundaries margins shifting edges and the coincidence of equally matched opposites in necessary balance to both Richardson and subsequent writers In an age of postmodernism these novels riddled as they are with discontinuities paradoxes ambiguity and unresolved dualities that problematize the whole notion of a stable coherent national or personal identity anticipate and define a number of concerns that preoccupy us today

Literary History of Canada William H. New, Carl Berger, Alan Cairns, Francess G. Halpenny, Henry Kreisel, Douglas Lochhead, Philip Stratford, Clara Thomas, 1990-12-15 This new volume of the *Literary History of Canada* covers the continuing development of English Canadian writing from 1972 to 1984 As with the three earlier volumes this book is an invaluable guide to recent developments in English Canadian literature and a resource for both the general reader and the specialist researcher The contributors to this volume are Laurie Ricou David Jackel Linda Hutcheon Philip Stratford Barry Cameron Balachandra Rajan Robert Fothergill Brian Parker Cynthia Zimmerman Frances Frazer Edith Fowke Bruce G Trigger Alan C Cairns Douglas Williams Carl Berger Shirley Neuman Raymond S Corteen and Francess G Halpenny
