## **Canadian Parliamentary Guide 2001:**

**Canadian Parliamentary Guide 2001** Gale Group,2001-12      **The Canadian Parliamentary Guide and Work of General Reference for the Dominion of Canada** Ernest J. Chambers,1908      **Parties, Elections, and the Future of Canadian Politics** Amanda Bittner,Royce Koop,2013-03-01 On May 2 2011 as Canadians watched the federal election results roll in and Stephen Harper s Conservatives achieve a majority it appeared that we were witnessing a major shift in the political landscape In reality Canadian politics had been changing for quite some time This volume provides the first account of the political upheavals of the past two decades and speculates on the future of the country s national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this book sheds light on one of the most tumultuous periods in Canadian political history      *Handbook of Federal Countries, 2002* Ann Griffiths,Ann L. Griffiths,2003-03 For more than two centuries federalism has provided an example of how people can live together even as they maintain their diversity While the implosion of the former Yugoslavia illustrates that federalism is not and cannot be a panacea its abiding success in other countries shows that it is a system worth examining The Handbook of Federal Countries 2002 a project of the Forum of Federations an international network that seeks to strengthen democratic governance by promoting dialogue on and understanding of the values practices principles and possibilities of federalism does exactly this incorporating available information about existing federations in one place for easy convenient reference The Handbook of Federal Countries 2002 includes articles on the twenty one countries that classify themselves as federations as well as four whose systems incorporate sufficient elements of federalism that it is useful to include them These articles written by authors around the world examine the development institutions constitutions and dynamics of federalism and include tables containing current political geographic and economic social information The Handbook also includes four comparative papers each of which examines a theme of concern to federal countries foreign policy in an era of globalization that increasingly encroaches on the jurisdiction of constituent units and demands their active participation use of federalism to accommodate minorities distribution of resources and power fiscal federalism and issues relating to regional autonomy and federalism in a European context      *Bibliographic Guide to Maps and Atlases 2001* G. K. Hall and Co. Staff,GK Hall,2002-07

**Lethbridge Politicians** ,2011-07 This digest of federal provincial and civic politicians of Lethbridge was undertaken by the same team that produced a pamphlet on Edmonton politicians several years ago It appears in part in the Government of Alberta Department of Culture and Multiculturalism under the title of Alberta Election Returns 1882 1993 The idea behind accumulating all politicians from a locality together in a biographical dictionary is that later researchers will have a more advantageous place to start from in research on the political history of Lethbridge      *Mapping Alberta's Political Leadership* Austin Mardon,2011 This book presents information taken from a variety of sources including newspapers records and interviews to give an account of Alberta s political leadership Although no attempt has been made here to analyze voting

patterns and behaviours or to provide a detailed narrative account of individual election campaigns much of the political history of Alberta can be read in these biographical profiles      **The Canadian Parliamentary Companion** ,1909

Politics in Manitoba Christopher Adams,2008-09-15 Politics in Manitoba is the first comprehensive review of the Manitoba party system that combines history and contemporary public opinion data to reveal the political and voter trends that have shaped the province of Manitoba over the past 130 years The book details the histories of the Progressive Conservatives the Liberals and the New Democratic Party from 1870 to 2007 Adams looks in particular at the enduring influence of political geography and political culture as well as the impact of leadership campaign strategies organizational resources and the media on voter preferences Adams also presents here for the first time public opinion data based on more than 25 000 interviews with Manitobans conducted between 1999 and 2007 He analyzes voter age gender income education and geographic location to determine how Manitobans vote In the process Adams dispels some commonly held beliefs about party supporters and identifies recurring themes in voter behaviour      Equal Partners Roland Ezri,2006-01-01 One of the most vexing problems of the last 25 years is the fact that despite the great progress made by Western women they occupy very few top political and corporate posts In politics only 13% of the members of the House of Representatives are women In the corporate world only 13% of corporate officers are women How then can women share in the leadership and be able to shape the society they live in What women have accomplished so far is the first stage only There is a need for a new approach a second stage in which women take matters into their own hands This book urges women to use their awesome power to effect major changes in their lives      Forthcoming Books Rose Arny,2002-02      The Journal of Parliamentary Information ,2002      **Handbook of Federal Countries** ,2002      **Canadian Parliamentary Proceedings and Sessional Papers, 1841-1970** Canada.
