Canadian Society Pluralism Change And Conflict:

Canadian Society Richard J. Ossenberg, 1971 Appropriate for courses in Law and Evidence Offering a rare combination of courtroom legal knowledge and traffic law enforcement procedures Courtroom Survival for Traffic Officers uniquely prepares officers for their role in the courtroom It moves beyond the abstract providing concrete strategies for overcoming common defense tactics Starting at the scene it shows readers how to interview witnesses victims and suspects how to distinguish reasonable suspicion from probable cause and the importance of foundation Special chapters are devoted to the use of radar and collision investigation and reconstruction The authors' real world experience infuses each topic as readers learn how traffic officers can better prepare for the courtroom experience

Ideological Perspectives on Canada M. Patricia Marchak, 2011 In Ideological Perspectives on Canada Patricia Marchak builds on her earlier descriptions of Canadian reality its liberalism and socialism to argue that today's corporatism differs from its forerunners in both its values and its definition of society Marchak argues that liberalism and socialism have many commonalities such as the goals of equality and freedom for citizens Corporatism however is opposed to equality and promotes an authoritarian hierarchy resembling the older conservative ideology To support her argument Marchak provides a general overview of the study of ideologies analyzes liberalism and socialism in the context of Canada and uses Marxist theory to explain past and present class structure and the emergence of a corporatist social structure A valuable contribution to the debate about the society we live in Ideological Perspectives on Canada attempts to look at ideologies from an objective standpoint while admitting that analysts can never fully remove themselves from the web of their own society which in the Canadian case is steeped in liberalism socialism and corporatism

Society and Change Harry H. Hiller, 1982 *Race, Ethnicity and Power* Donald G. Baker, 2024-01-01 First published in 1983 *Race Ethnicity and Power* focuses on contemporary race and ethnic relations in six countries and looks at the historical context by tracing how various forces and factors such as group power capabilities shaped present day ethnic and race relations It describes how English settlers and their descendants used their power historically to control major political economic and social structures and to shape the cultural policies of these countries It explains how ethnic and race relations are best understood by assessing the changing power capabilities of Anglo and non Anglo groups and shows how changes in group relations are the consequence of two major factors modification in group power resources and capabilities and changes in situational factors This book will be of interest to students of sociology political science ethnic studies and international relations

Religion in Canadian Society

Stewart Crysedale, Les Wheatcroft, 1976 Professors Crysedale and Wheatcroft have assembled a comprehensive selection of studies on aspects of religion in Canada. The book contains 33 articles by sociologists, anthropologists and historians, many of them published here for the first time. The editors' substantial introduction provides a cogent outline of the nature of socioreligious studies in Canada today; it includes a discussion of theoretical perspectives and methods of inquiry and an analysis of the problems and issues confronting Canadian social scientists working in this field. The studies in this volume deal with such topics as the place of religion in the lives of indigenous peoples, religion and its adaptation to social change, responses to religious callings and religion and cultural ethnic cleavages.
