Canaris Hitlers Master Spy:

Canaris Heinz Hohne,1999-10-18 What emerges in this definitive biography is a panoramic view of the rise and fall of Nazism as reflected in the destiny of one man who hopes for patriotic purposes to harness evil only to be destroyed by it

Canaris Heinz Höhne,1999 Master Spy Ian Goodhope Colvin,1952 An account o the career of Wilhelm Canaris who secretly allied with the British while serving as one of Hitler s most trusted officers Master Spy Ian Colvin,2019-12-06 Master Spy first published in 1951 recounts the career of Admiral Wilhelm Canaris who served as Hitler s Chief of Intelligence for nine years but who was a quiet supporter of the German resistance to Hitler Charming exacting mistrustful and soft spoken Canaris became an Admiral during the WWI but officially entered the Abwehr Security Service in 1935 of which he was later to become head The book details the military and diplomatic interchanges in which he took part including the incidents in which Canaris sabotaged and betrayed German plans from the Munich pact to the proposed invasion of England and throughout the war until his deposition by Hitler in 1944 and his execution in 1945 Perhaps most importantly Canaris personally talked General Franco out of entering the war on Germany s side arguing that he would be aligning himself with the wrong side This prevented any assault on Gibraltar and kept the Mediterranean open for allied shipping Without Canaris the allies would have had significant difficulty in launching their North African Sicilian or Italian campaigns After Stauffenberg s July 20 1944 bomb plot against Hitler the Canaris group was implicated arrested and transferred to various concentration camps In September 1944 incriminating documents were found in the safe of Abwehr officer Werner Schrader following that officer s July 28 1944 suicide Later Canaris complete personal diary was found in another safe at Zossen The diaries made clear that Canaris had been playing a double game against the Nazis since before the war enraging Hitler On April 9 1945 Canaris and several other members of the Abwehr resistance circle were put on trial in an SS kangaroo court and were hung at KZ Flossenbug on Hitler s direct orders Author Ian Colvin a correspondent of the London News Chronicle had worked in pre war Berlin where he made secret contacts with anti Nazis He was later expelled from Germany White Knights in the Black Orchestra Tom Dunkel,2022-10-11 They were a small group of conspirators who risked their lives by plotting relentlessly to obstruct and destroy the Third Reich from within The Gestapo nicknamed this shadowy confederation of traitors the Black Orchestra This is their tension filled story As the Final Solution unfolds a loose network of German military officers diplomats politicians and civilians are doing everything in their power to undermine the Third Reich from the inside reporting troop movements to the Allies feeding disinformation to the Nazi high command plotting to assassinate Adolf Hitler and more The Gestapo nicknames this shadowy confederation of traitors the Black Orchestra Its players include Dietrich Bonhoeffer a dissident Lutheran pastor and his brother in law Hans von Dohnanyi a staff attorney at the Abwehr the German military intelligence service In this tension filled narrative Tom Dunkel traces the perilous movements of these white knights as they and their families face constant danger of being exposed and executed

Some act out of moral outrage and patriotism Some want to atone for their own Nazi sins When their treasonous activities are finally discovered Hitler's SS and the Gestapo are hell bent on taking bloody revenge as the end of the war rapidly approaches and lives hang in the balance *White Knights in the Black Orchestra* is a tautly written meticulously reported account of men and women heroically resisting Hitler's ruthless regime It packs the punch of the best espionage thrillers but the cat and mouse drama and plot twists are grounded firmly in fact This is a stirring story of people willing to risk all by doing the right thing in a country gone mad a story that may prompt readers to ask themselves What would I have done
