

Canary Islanders Of Louisiana

O García

Canary Islanders Of Louisiana:

The Canary Islanders of Louisiana Gilbert C. Din, 1999-08-01 The Canary Islanders or Isleños of Louisiana like some of the state's other ethnic groups have received little scholarly attention. Although they are a people who have remained largely unknown both inside and outside of Louisiana, the Isleños constitute a sizable portion of the state's present Spanish surname population. Utilizing a wide range of source materials from Spanish colonial documents to oral interviews, Gilbert C. Din's *The Canary Islanders of Louisiana* provides the first book-length study of the Isleños and a definitive history of their presence in the state. The few thousand Canary Islanders brought to Louisiana by Spanish governors in the eighteenth century came from a group of islands that although ostensibly Spanish had evolved its own distinctive culture and folkways. Settled in frontier areas considered strategic for the defense of the Louisiana colony, the Isleños suffered deprivation, neglect, and eventually abandonment. Living for the most part in remote back country and delta communities, the Isleños remained isolated from their French and American neighbors. In the twentieth century, pressures to assimilate with the mainstream of Louisiana society have threatened their culture with extinction, though a few Canarians still retain much of their Isleño heritage. Gilbert C. Din's study of the Isleños covers the entire range of their association with Louisiana. He begins with a brief survey of Canarian history and folkways and concludes with a discussion of the likely ethnic future of the increasingly assimilated Isleño descendants. Din provides a detailed history of the Isleño migration and colonial settlement, post-colonial community development, economic, social, educational, and political patterns, and the course of Isleño assimilation with the general Louisiana population. Offering his own skillfully argued answers to long-standing debates about early Isleño settlements, Din also corrects a number of factual errors on the part of previous historians who did not have access to the same range of archival sources. *The Canary Islanders of Louisiana* is a strong piece of historical scholarship. It makes an original and much needed contribution to the history of a people of Louisiana and of the American South.

The Isleños of Louisiana: On the Water's Edge Samantha Perez, 2011-02-15 Louisiana is perhaps best known for its distinctive French heritage, a legacy visible in the street names and architecture around the state. The truth is Louisiana has one of the most culturally diverse populations in the nation, with not only French and Anglo-American settlers but the Native Americans who lived there already and the enslaved Africans the new colonists brought with them into Louisiana Territory. A chapter of Louisiana history that tends to be forgotten, however, is when the area fell to Spanish control in the late 1700s. Coaxed by promises of new opportunity, thousands of Canary Islanders of Spanish descent relocated to Louisiana, where they established four settlements. Generations of Isleños—that is, the ethnic group of descendants from the Canary Islands who have intermarried with other communities—have overcome the challenges of an evolving American society as well as the devastation of storms that have ripped through their land. Through it all, the Isleños have preserved their unique heritage, traditions, and culture for more than two centuries.

The Islenos of Louisiana Samantha Perez, 2011-02 Louisiana is perhaps best known for its distinctive French heritage a legacy visible in the street names and architecture around the state But in the late 1700s Louisiana fell under Spanish control Coaxed by promises of new opportunity thousands of Canary Islanders of Spanish descent relocated to Louisiana where they established four settlements Generations of Islenos have overcome the challenges of an evolving American society as well as the devastation of storms that have ripped through their land Through it all the Islenos have preserved their unique heritage traditions and culture for more than two centuries This is their history

The Islenos of Pierre Part Chad J. Leblanc, 2018-01-07 A historical look at the Isle os people recruited from the Canary Islands to start a new life in rural south Louisiana This book outlines the genealogy of these people with focus on the community of Pierre Part

Indians, Settlers, & Slaves in a Frontier Exchange Economy Daniel H. Usner, 1992 rigid boundaries between ethnic groups Usner s focus on commerce allows him to illuminate the motives in the contest for empire among the French English and Spanish as well as to trace the personal networks of communication and exchange that existed among the territory s inhabitants By tracing patterns of small scale face to face exchange he reveals the economic and social world of early Louisianians and lays the groundwork for a better understanding of later

The 1868 St. Bernard Parish Massacre C. Dier, 2011-02-11 The slaughter of newly liberated African Americans just days before a Reconstruction Era election is recounted in this true crime history Louisiana 1868 With the Civil War over a victorious Ulysses S Grant was riding a wave of popularity straight to the White House But former Confederates across the South feared what Reconstruction might look like under President Grant Days before the tumultuous election Louisiana s St Bernard Parish descended into chaos As African American men gained the right to vote white Democrats of the parish feared losing their majority Armed groups mobilized to suppress these recently emancipated voters Freed people were dragged from their homes and murdered in cold blood Many fled to the cane fields to hide from their attackers The reported number of those killed varies from 35 to 135 Though efforts were made to cover up the tragedy its implications reverberated throughout the South and lingered for generations In this authoritative chronicle historian Chris Dier reveals the horrifying true story behind the St Bernard Parish Massacre

The Community Heritage in the Spanish Americas Howard Benoist, 1999

Dialect Death Charles E. Holloway, 1997-01-01 The Brule Dwellers of Ascension Parish are descendants of Canary Island immigrants who came to Louisiana in the late 1700s A few residents in and around the Ascension Parish area still speak an archaic dialect of Spanish which is at the brink of linguistic extinction Because the Brule dialect is in the final stages of what is commonly known as language death the case of Brule Spanish presents an exciting opportunity to

investigate commonly held assumptions regarding the structural changes often associated with vestigial languages Its relative isolation from other dialects of Spanish for over two hundred years serves as a sort of linguistic time capsule which provides information that is relevant to critical outstanding issues in Hispanic dialectology and historical linguistics In addition to examining these issues documenting the specific characteristics of Brule Spanish and comparing Brule Spanish with other modern Spanish dialects this book presents a very accessible introduction to the field of language death

Aggies By The Sea Stephen J. Curley, 2005 Aggies by the Sea tells the story of Texas A M University at Galveston an unusual educational institution that began operation in 1962 as a maritime academy with only twenty three students and now enrolls more than 1600 undergraduates studying the sciences technology business and cultural aspects of the sea Filled with lively anecdotes reminiscences and biographical sidebars this lavishly illustrated book presents history with a bounce

Official Register of the United States, 1887 Other Immigrants David Reimers, 2005-01-01 Blacks Hispanics and Asians represent three of every four immigrants who arrived in the United States after 1970 Yet despite their large numbers and long history of movement to America non Europeans are conspicuously absent from many books about immigration In *Other Immigrants* David M Reimers offers the first comprehensive account of non European immigration chronicling the compelling and diverse stories of frequently overlooked Americans Reimers traces the early history of Black Hispanic and Asian immigrants from the fifteenth century through World War II when racial hostility led to the virtual exclusion of Asians and aggression towards Blacks and Hispanics He then tells the story of post 1945 immigration when these groups dominated the immigration statistics and began to reshape American society The capstone to a lifetime of groundbreaking work on immigration Reimers s thoughtful history recognizes the ambiguity and subjectivity of race noting that individuals often define themselves more complexly than census forms allow However classified record numbers of immigrants are streaming to the United States and creating the most diverse society in the world *Other Immigrants* is a timely account of their arrival

The Opening of Texas to Foreign Settlement, 1801-1821 Mattie Austin Hatcher, 1927 **On History's Trail** Light Townsend Cummins, 2014 n *History s Trail* Speeches and Essays of the Texas State Historian 2009 2012 contains twenty nine speeches and essays from Light Townsend Cummins s time as the State Historian of Texas when he spoke to dozens of groups across the Lone Star State and beyond This collection emphasizes the importance of biography and the individual in Texas history never losing the warmth and humanity that is Cummins s hallmark The most important point of *On History s Trail* though is the most valuable lesson Cummins learned while State Historian The history of Texas is alive and well today
