Cancer Has Its Privileges Stories Of Hope And Laughter:

Cancer Has Its Privileges Christine Clifford, 2002-05-07 Cancer survivor and founder of The Cancer Club Christine Clifford has been sharing her inspiring humorous outlook on living with cancer with thousands of cancer patients and their families Now she has gathered a collection of battlefield stories and anecdotes from her fellow survivors that go from the outright hilarious to the downright moving and combined them with her own personal story of triumphant survival

Cancer Has Its Privileges ,2002 **Our Family Has Cancer Too** Christine Clifford, Complete with a glossary Our Family Has Cancer Too offers an opportunity for you and your family to share feelings with each other about cancer and to learn the answers to the questions most kids have What is cancer What changes will happen to our family What are the treatments like How long will it take to get through the cancer experience What do I tell my friends But most importantly Our Family Has Cancer Too teaches you how to laugh together Christine Clifford author of Not Now I m Having a No Hair Day the first book to offer hope and humor to cancer patients has broken new ground once again with Our Family Has Cancer Too With the help and insight of her son Tim Christine has explored the issues facing families when cancer becomes a part of life

Let's Close a Deal Christine Clifford, 2013-03-08 Close deals with major corporations organizations or individuals who can propel your business to the next level When you think about it our entire lives revolve around selling Whether we sell as part of our business serve on a committee of a non profit organization or negotiate for a new job car house we are pitching hearing and closing deals every day Let s Close a Deal articulates the intuitive process that identifies how and why a deal will appeal and then demonstrates in step by step detail how to present your deal in a compelling way The sales process is not about coercion it s about compassion The closing part of a negotiation should honor everyone involved instead of taking advantage of them We make our decisions based on the manner in which information is presented to us and what we believe will be the best deal Let s Close a Deal explains how to present information so persuasively that it increases the likelihood of getting a yes Demonstrates how finding the human perspective is key to closing any deal Articulates the sale from conception preparation presentation to close Author Christine Clifford is a sought after professional speaker and author of eight books including You Inc The Art of Selling Yourself coauthored with Harry Beckwith Author has direct experience closing major deals having taken her company from a million dollar per year loss to over 54 million in sales and having signed the largest contract in the history of her industry with Procter Gamble doubling the size of her company overnight Increase your business s chance for success by improving your ability to secure profitable partnerships Let s Close a Deal shows you how The Praeger Handbook on Women's Cancers Michele A. Paludi, 2014-05-28 Written by experts in psycho oncology this book synthesizes the findings of the latest research on women s cancers to empower women to make informed choices about treatment options Each year hundreds of thousands of women are diagnosed with cancer in the United States alone The total number affected is larger still comprising siblings parents partners and children of these women In this single

volume work an international team of experts address the physical medical and psychological matters that are triggered by a diagnosis of having a form of women s cancer breast cervical endometrial gestational ovarian uterine vaginal and vulvar being some of the more common The handbook examines and explains each type of women s cancer covering the specifics of incidence diagnosis treatment options and more providing an up to date guide for women and their families to assist in making informed choices about their treatment options The book includes personal accounts from women who survived cancers and beat their emotional challenges addresses myths versus realities regarding women s cancers and covers relevant related topics such as race sexual orientation religion and cancer coping Special attention is given to the impact of women s cancers on relationships intimacy and body image as well as psychological factors such as anxiety depression and fear
