Monthly Catalogue, United States Public Documents ,1995 **Managing Daily Stress** River Mindfulness,AI,2025-03-03
Managing Daily Stress offers an evidence based guide to understanding and reducing the impact of stress which is vital as unmanaged stress can lead to health problems and reduced productivity The book uniquely combines psychological strategies with insights into the biological mechanisms of stress Did you know that modern research highlights a complex interaction between the brain body and environment in shaping our stress response This book offers a more nuanced approach than traditional relaxation techniques The book progresses from explaining core concepts of stress physiology and psychology to exploring how cognitive processes can worsen stress It then focuses on practical techniques such as cognitive restructuring and mindfulness A key argument in Managing Daily Stress is that stress is a dynamic interaction between our perceptions physiological responses and environment By understanding these interactions you can cultivate resilience and the book emphasizes personalized approaches not just quick fixes to help you manage daily stress effectively
