

Camels In Nevada

Christian Drosten

Camels In Nevada:

Camels in Nevada Douglas McDonald,1970-06-01 **Uncle Sam's Camels** May Humphreys Stacey,1929 The story of the first and last expedition of the Camel Brigade headed by Edward Fitzgerald Beale from San Antonio to Bakersfield in the late 1850 s **Camels in Western America** Arthur Amos Gray,Francis Peloubet Farquhar,William Stanley Lewis,1930

The Last Camel Charge Forrest Bryant Johnson,2012-04-03 A fascinating story telling aspects of the American West that most of us know little about True West Magazine In the mid nineteenth century the U S Army was on the verge of employing a weapon that had never before been seen on its native soil a cavalry mount that would fare better than both mules and horses in the American Southwest Against the Mojave in the Arizona Territory against the Mormons in Utah Territory during the early stages of the Civil War the camel would become part of military history and a nearly forgotten chapter of Americana This is the true story of that experiment and the extraordinary group of people who it brought together The Last Camel Charge gives them their due as a vital piece of American history INCLUDES PHOTOS **Camels in the West** Deane Robertson,Peggy Robertson,1979 **The American Legion Monthly** American Legion,1928 **Frontier Days in British Columbia** Garnet Basque,2006-04-20 BC s best history writers bring the province s early days to life in these pages Illustrated with over 80 colour photos plus maps and archival illustrations Frontier Days in British Columbia is a fountain of information and a visual treat Editor Garnet Basque s selection of 20 great west coast stories offers entertaining lore from the high seas to the high country ranging from the fateful voyage of the Grappler to the legendary exploits of packer Jean Cataline Caux and from the first Hudson s Bay Company forts to the age of whaling **Engineering and Mining Journal** ,1914 **Horns, Tusks, and Flippers** Donald R. Prothero,Robert M. Schoch,2002 Since the extinction of the dinosaurs hoofed mammals have been the planet s dominant herbivores Native to all continents except Australia and Antarctica recent paleontological and biological discoveries have deepened understanding of their evolution This text reveals their evolutionary history **Go East, Young Man** Richard Francaviglia,2011-12-14 Transference of orientalist images and identities to the American landscape and its inhabitants especially in the West in other words portrayal of the West as the Orient has been a common aspect of American cultural history Place names such as the Jordan River or Pyramid Lake offer notable examples but the imagery and its varied meanings are more widespread and significant Understanding that range and significance especially to the western part of the continent means coming to terms with the complicated nuanced ideas of the Orient and of the North American continent that European Americans brought to the West Such complexity is what historical geographer Richard Francaviglia unravels in this book Since the publication of Edward Said s book Orientalism the term has come to signify something one dimensionally negative In essence the orientalist vision was an ethnocentric characterization of the peoples of Asia and Africa and the Near East as exotic primitive others subject to conquest by the nations of Europe That now well established point which expresses a postcolonial perspective is critical but Francaviglia

suggest that it overlooks much variation and complexity in the views of historical actors and writers many of whom thought of western places in terms of an idealized and romanticized Orient It likewise neglects positive images and interpretations to focus on those of a decadent and ostensibly inferior East We cannot understand well or fully what the pervasive orientalism found in western cultural history meant says Francaviglia if we focus only on its role as an intellectual engine for European imperialism It did play that role as well in the American West One only need think about characterizations of American Indians as Bedouins of the Plains destined for displacement by a settled frontier Other roles for orientalism though from romantic to commercial ones were also widely in play In *Go East Young Man* Francaviglia explores a broad range of orientalist images deployed in the context of European settlement of the American West and he unfolds their multiple significances *The American Legion monthly* ,1928 **Pony Express Courier** ,1949 The U.S. Camel Corps Odie B. Faulk,1976 In a true saga of the old west author Odie Faulk recreates the story of the exotic pioneers camels imported to deliver supplies across the American West A little known but fascinating true story *Roadside Tidbits* Jan Young,2014-09-07 How often have you been driving say on a cross country trip and have flashed by a sign that says Historical Marker 1 mile How often have you stopped to read the sign How often have you wondered what you would have discovered if you had stopped Well if you're like me the answers are often almost never and almost always There never seems to be time the markers although announced can be hard to find and then there's the question of where to park and how to get from the car to the marker and back safely One doubts that it's worthwhile But yet there's that nagging feeling that maybe it would be fascinating This book is a sampling of two hundred eighty four of the thousands of real life historical markers that exist on our roads and highways Each is accompanied by detailed location information and by an expansion of the often brief inscription Writing it satisfied my curiosity It's very likely it will satisfy yours too Forest and Stream ,1904 Field, Lawn and Garden ,1874 **The Camel, Its Uses and Management** Arthur Glyn Leonard,1894 Dearborn Independent ,1925 *The Washington Historical Quarterly* ,1928 Annual report of the Bureau of Animal Industry. v. 20, 1903 ,1904
