Camp Nowhere R. L. Stine, 2000 Camp Nowhere Cathy East Dubowski, 1994-07-18 Tired of going to the summer camps their parents select Mud and his friends create their own no rules summer camp How long can they fool their parents

Camp Nowhere R. L. Stine, 2001 You hold in your hand the key to a shadow world of shivers and screams Take a step away from the safe comfortable world you know Unlock the door to terror There s always room for one more in THE NIGHTMARE ROOM Last summer the other campers teased Russell because he was afraid of everything But this year Russell is going to prove how brave he is He s taking his canoe right over Forbidden Falls Counselors tell a story about a group of campers who went over the Falls and were never seen again They say that the Falls are haunted by the lost campers But that s just a camp legend Right Russell climbs into his canoe convinced there s nothing to be afraid of But he doesn t know he s paddling straight into THE NIGHTMARE ROOM Boys' Life , 1995-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting Yearbook Boston, Mass. Emmanuel Parish, 1913 **A Stop at Suzanne's** Greayer Clover, 1919 *Serious Fun at a Jewish Community Summer Camp* Celia E. Rothenberg, 2016-07-01 Unique in the literature on Jewish camping this book provides an in depth study of a community based residential summer camp that serves Jewish children from primarily rural areas Focused on Camp Ben Frankel CBF established in 1950 in southern Illinois this book focuses on how a pluralist Jewish camp constructs meaningful experiences of Jewish family and Judaism for campers and teaches them about Israel Inspired by models of the earliest camps established for Jewish children in urban areas CBF s founders worked to create a camp that would appeal to the rural often isolated Jewish families in its catchment area Although seemingly on the periphery of American Jewish life CBF staff and campers are revealed to be deeply entwined with national developments in Jewish culture and practice and indeed contributors to shaping them This research highlights the importance of campers experiences of traditional elements of the Jewish family an experience increasingly limited to time at camp as well as the overarching importance of song Over the years Judaism becomes constructed as fun welcoming and easy for campers while Israel is presented in ways that are meant to be appropriate for a community camp In the camp s earliest decades Israel was framed by traditional Zionist discourse later as community priorities shifted the cause of Russian Jews was the focus Most recently as Israeli politics have been increasingly viewed as potentially divisive the camp has adopted an Israel lite approach focusing on Israel as the Biblical homeland of the Jewish people and a place home to Jews who are similar to American Jews In sum this study sheds light on how a small rural community camp contributes in significant ways to our understanding of American Jews their Judaism and their Zionism **Armistice** Harry Turtledove, 2017-07-18 In the final book of the blistering trilogy The Hot War old hatreds and new chances for revenge are unleashed on an already devastated world as the Cold War becomes a roaring inferno In 1952 American cities lie in ruins President Harry Truman in office since 1945 presides over a

makeshift government in Philadelphia suffering his own personal loss and fearing for the future of democracy In the wake of Hitler s reign Germany and America have become allies and Stalin s vise hold on power in the USSR persists Unwilling to trust the Soviet tyrant Truman launches a long planned nuclear strike on the city of Omsk killing Stalin and plunging the Red Army into leaderless destructive anarchy Meanwhile the Baltic states careen toward rebellion and Poland is seized by rebels bred on war In a world awash with victims turned victors refugees and killers has Truman struck a blow for peace or fueled more chaos As these staggering events unfold the lives of men and women across battle lines ethnicities and religions play out around the globe In Los Angeles an extended Jewish family builds a future while the foul smell of a refugee camp in Santa Monica blows in on the ocean breeze In Korea a U S fighter struggles to bring his Korean interpreter stateside as a full American In Siberia two German women fight for their survival in a gulag and begin a strange harrowing journey home From the terrifying global chess match between superpowers to the strength of individual human conscience Armistice captures a world that s been split to its core by the violence only mankind can create Through the thunder of battle the clashes of armies and the whispers of lovers how humanity will be rebuilt and who will do it are the questions that resound in this marvelous work of imagination and history Praise for Armistice The story s focus remains on ordinary characters and how they cope with their particular circumstances Readers who savor the patient accumulation of detail around each scenario will by now be thoroughly addicted Kirkus Reviews The series is entertaining and explores life on the razor s edge SFRevu
