**The Solution-Focused Educator** Todd Elliott Franklin, 2018-03-01 The Solution Focused Educator is intended for classroom teachers and school based administrators at all levels The content serves as a roadmap for how educators can reframe their mindset to tackle the current challenges in schools Examples are given throughout the book to demonstrate how you can reduce stress by learning new mental strategies that shift problem solving away from needing others to change The goal is for teachers and school leaders to better understand how to reshape their preconditioned responses to challenges by closing the gap that exists between the experiences they have on the job and their reactive nature to them The book captures a unique twist under the topic of motivation and how to reframe one s attitude towards the typical discomforts faced by today s educator The writing aims to establish a deeper understanding about the intimate relationship between problem identification and the anxiety that ensues within this psychological dyad Utilizing the shape of a triangle the author consistently makes the mindset concepts easy to understand He utilizes this shape as a strong representational pattern that clearly illustrates how educators can mentally diagram problematic issues outline their emotional reactions to them and create a new attitude of solvability

**Campbell Leadership Descriptor®: Facilitator's Guide** David P. Campbell, 2016 The Campbell Leadership Descriptor is a self assessment designed to help individuals identify the important characteristics of leadership learn the characteristics of successful leaders and evaluate their own leadership strengths and weaknesses in comparison By comparing themselves with good and poor leaders individuals can develop an action plan for improving their leadership skills
